## **Contemporary Fiction:**

Contemporary Fiction Jago Morrison, 2003 A much needed introduction to the field of contemporary fiction studies Introduces key areas of debate and offers in depth discussions of the most significant texts An ideal guide for those studying contemporary fiction for the first time

**Genre Transitions in Contemporary Fiction** Selin Şencan, 2025-09-09 This volume explores how contemporary fiction responds to global challenges by reshaping genre conventions and narrative forms The book brings together twelve chapters that examine themes of identity memory history speculative imagination and survival in works that cross boundaries of form nation and discipline Contributors examine a range of contemporary concerns offering critical insights into literary innovation in the twenty first century Through close readings of a diverse group of canonical and contemporary writers the collection highlights how hybrid narrative modes enable fiction to address shifting social realities Drawing from postcolonial feminist ecocritical trauma spatial memory speculative historical decolonial and posthumanist approaches the chapters explore how genre responds to crisis transformation and the demands of contemporary thought This book will appeal to scholars of English literature cultural and literary theory and genre studies offering both global perspectives and locally grounded analyses of literary form Its wide range of genres and applied critical frameworks also makes it a valuable resource for teaching and studying contemporary fiction

**Psychoanalytic Perspectives on Women and Power in Contemporary Fiction** Rossella Valdrè, 2017-07-14 Psychoanalytic Perspectives on Women and Power in Contemporary Fiction psychoanalytically examines contemporary fiction portraying the female in a reversal of the stereotyped victim role The recent popularity of powerful female characters suggests that literature is ahead in its understanding the desires fantasies and unconscious emotions of the public This book explores a form of intimacy frequently observed in consulting rooms and in life in general malicious intimacy Specific to the conjugal bond it is a type of intimacy connected to the relationship between the two halves of the couple that is extremely powerful and painful Instead of clinical cases Rossella Valdrè examines four contemporary and widely successful novels published contemporaneously which capture perfectly this type of psychopathological universe Valdrè then maps out psychoanalytic hypotheses regarding the persistency of these malicious intimacies Through analysis of these examples Valdrè investigates the roots and hypotheses of a new scenario on victim executioner roles played out in the intimacy of the couple Exploring how and if the contemporary couple is undergoing profound changes she provides an overview of the various deep seated psychological mechanisms and unconscious dynamics that may be at work The book explores the need to not be dependant upon a love object as an extreme defence against abandonment or self collapse Valdrè argues that such a configuration is very common and that Idealization in contemporary life is one of the reasons behind the most of sufferance in modern couples something which psychoanalysis can examine through art Women perhaps after emancipation are living overturned roles and paying a higher cost as a result Psychoanalytic Perspectives on Women and Power in Contemporary Fiction will appeal to psychoanalysts and psychoanalytic

psychotherapists and be of interest to scholars and students of literature gender studies philosophy and sociology The Cambridge Companion to British Fiction: 1980–2018 Peter Boxall,2019-06-27 From 1980 to the present huge transformations have occurred in every area of British cultural life The election of Margaret Thatcher in 1979 ushered in a new neoliberal era in politics and economics that dramatically reshaped the British landscape Alongside this political shift we have seen transformations to the public sphere caused by the arrival of the internet and of social media and changes in the global balance of power brought about by 9 11 the emergence of China and India as superpowers and latterly the British vote to leave the European Union British fiction of the period is intimately interwoven with these historical shifts This collection brings together some of the most penetrating critics of the contemporary to explore the role that the British novel has had in shaping the cultural landscape of our time at a moment in the wake of the EU referendum of 2016 when the question of what it means to be British has become newly urgent *The Post-War British Literature Handbook* Katharine Cockin,Jago Morrison,2010-02-10 A comprehensive accessible and lucid coverage of major issues and key figures in modern and contemporary British literature **The A to Z of Postmodernist Literature and Theater** Fran Mason,2009-07-23 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book *The A to Z of Postmodernist Literature and Theater* examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates **The Postmodern Humanism of Philip K. Dick** Jason P. Vest,2009-02-17 In *The Postmodern Humanism of Philip K Dick* Jason Vest examines how Dick adapted the conventions of science fiction and postmodernism to reflect humanist concerns about the difficulties of maintaining identity agency and autonomy in the latter half of the 20th century Vest also explores Dick s literary relationship to Franz Kafka Jorge Luis Borges and Italo Calvino **Paul Auster's Writing Machine** Evija Trofimova,2014-08-28 Paul Auster is one of the most acclaimed figures in

American literature Known primarily as a novelist Auster s films and various collaborations are now gaining more recognition Evija Trofimova offers a radically different approach to the author s wider body of work unpacking the fascinating web of relationships between his texts and presenting Auster s canon as a rhizomatic facto fictional network produced by a set of writing tools Exploring Auster s literal and figurative use of these tools the typewriter the cigarette the doppelg nger figure the city Evija Trofimova discovers Auster s writing machine a device that works both as a means to write and as a construct that manifests the emblematic writer figure This is a book about assembling texts and textual networks the writing machines that produce them and the ways such machines invest them with meaning Embarking on a scholarly quest that takes her from between the lines of Auster s work to between the streets of his beloved New York and finally to the man himself Paul Auster s Writing Machine becomes not just a critical investigation but a critical collaboration raising important questions about the ultimate meaning of Auster s work and about the relationship between texts their authors their readers and their critics
