**Martyrdom in Modern Islam** Meir Hatina, 2014-04-28 The Islamic resurgence in modern times has received extensive treatment in scholarly literature Most of this literature however deals with the concept of jihad and disputes between radicals and their rivals over theological and political issues and far less with martyrdom and death Moreover studies that do address the issue of martyrdom focus mainly on suicide attacks a phenomenon of the late twentieth century and onward without sufficiently placing them within a historical perspective or using an integrative approach to illuminate their political social and symbolic features This book fills these lacunae by tracing the evolving Islamic perceptions of martyrdom its political and symbolic functions and its use of past legacies in both Sunni and Shi'i milieus with comparative references to Judaism Christianity and other non Islamic domains Based on wide ranging primary sources along with historical and sociological literature the study provides an in depth analysis of modern Islamic martyrdom and its various interpretations while also evaluating the historical realities in which such interpretations were molded and debated

**Martyrs** Susan Bergman, 1996 Twenty original essays by distinguished contemporary writers trace an indelible portrait of the martyrs of our century documenting a struggle that has played out across the boundaries of nations and between the realm of culture and the province of the sacred The stories of these remarkable individuals who chose faith at the cost of life demonstrate that what remains after the drama of their agonizing deaths is a legacy of inspiring faith

The Making of Martyrdom in Modern Twelver Shi'ism Adel Hashemi, 2022 In Twelver Shi'a Islam the wait for the return of the Twelfth Imam Hujjat Allah al Mahdi at the end of time overshadowed the value of actively seeking martyrdom But what is the place of martyrdom in Twelver Shi'ism today This book shows that the Islamic revolution in Iran resulted in the marriage of Shi'i messianism and extreme political activism changing of mindset among the Shi'a worldwide Suddenly each drop of martyrs blood brought the return of al Mahdi one step closer and the Islamic Republic of Iran became the prelude to the foretold world revolution of al Mahdi Adel Hashemi traces the unexplored area of Shi'i discourse on martyrdom from the 1979 revolution when the Islamic Republic's leaders cultivated the culture of martyrdom to topple the Shah's regime through to the dramatic shift in understanding of martyrdom

conflicts from the First World War to the War on Terror Various conceptions of sacrifice are examined including Christian Jewish Islamic and secular The discussion ranges across literary portrayals of multiple sacrificial practices including ancient rituals of child sacrifice martyrdom scapegoating and suicide bombing Houen builds an innovative interdisciplinary approach to how war sacrifice and their representations interrelate and a wide range of Anglophone literature is discussed including novels memoirs short stories essays manifestoes elegies ballads and lyric poetry Whereas critics and theorists have tended to emphasize that war's reality exceeds any attempt to represent it Houen contends that political religious and cultural frames of sacrifice have continued to play a significant part in shaping how war's reality is shaped and experienced Those frames are inextricably tied to modes of representation which include symbolism and mimesis *Sacrifice and Modern War Writing* explores how sacrificial killing in war is itself riddled with symbolic transfigurations and mimetic exchanges and it builds a fresh approach by arguing that the figurative and imaginative aspects of literary writing ironically become its very means of engaging closely with the reality of war's sacrifices That approach also develops by using the literary analyses to critique and revise various prominent theories of sacrifice and war
