Contemporary Russia:

Understanding Contemporary Russia Michael L. Bressler, 2009 Offers an introduction to contemporary Russian politics economics society and culture *Social Distinctions in Contemporary Russia* Jouko Nikula, Mikhail Chernysh, 2020-04-29 This book analyses social change in Russia in particular the development of a middle class one of the most important social and political projects of Putin's administration Using unique survey data collected in 1998 2007 and 2015 the authors make extensive and theoretically justified analyses of the changing social distinctions in Russia over the past 20 years Offering a sophisticated analysis of classes and class they acknowledge that in class analysis there are different phases requiring different concepts The first phase is the analysis of class positions the second is the study of the work and reproduction situations of class groups and the final step is the analysis of class interests While acknowledging that there are a number of Russian specific factors that seriously complicate traditional class analysis the authors maintain that the basic tenets of class analysis still hold true The book will be of interest to students and scholars of sociology political science transition studies social policy and Russian studies and anyone who wants to understand the internal divisions and organization of the middle class in Russia [Democratization and Gender in Contemporary Russia](#) Suvi Salmenniemi, 2011 This book examines civic activism democratization and gender in contemporary Russian society It describes the character and central organizing principles of Russian democratic civic life considering how it has developed since the Soviet period and analyzing the goals and identities of important civic groups including trade unions and the meanings they have acquired in the context of wider Russian society In particular Suvi Salmenniemi investigates the gender dimensions both masculine and feminine of socio-political participation in Russia considering what kinds of gendered meanings are given to civic organizations and formal politics and how femininity and masculinity are represented in this context Exploring the role of state institutions in the development of democratic civic life the volume shows how under the increasingly authoritarian Putin regime and its policy of managed democracy independent civic activism is both thriving yet at the same time constrained Based on extensive fieldwork research it provides much needed information on how Russians themselves view these developments both from the perspective of civic activists and the local authorities [Contemporary Russia as a Feudal Society V](#). Shlapentokh, Joshau Woods, 2007-11-26 The book offers a theoretical discussion of the feudal model and a preliminary application of the model to post-Soviet Russia In addition to a review of the feudal model as an ideal type the author explains the analytical benefits of drawing comparisons between countries and across historical contexts Specifically contemporary Russia is compared to Western European countries during the Middle Ages and to the Soviet period in Russian history The book is devoted to illuminating the most important political social and economic characteristics of contemporary Russian society **History and Literature in Contemporary Russia** R. Marsh, 1995-08-09 Since 1985 Russia has experienced a dramatic cultural and social revolution Rosalind Marsh presents the first study encompassing one important aspect of this

process that is the major part which literature has played in reassessing the past transforming public opinion and hence in promoting political change in Russia She provides a chronology of literary politics in this period and analyses the content and influence of newly published literature on a variety of historical themes including Stalin and Stalinism Lenin the Civil War the February and October Revolutions and the fall of Tsarism She explores the heated moral and political debates inspired among different sections of Russian society by the works of many authors including Rybakov Solzhenitsyn Grossman Bunin and Gorky Faces of Contemporary Russia Olga Mesropova,2019 eTextbooks are now available to purchase or rent through VitalSource com Please visit VitalSource for more information on pricing and availability Faces of Contemporary Russia is a one semester textbook for high intermediate to advanced level Russian students that aims to develop students linguistic proficiency by examining significant personalities in current Russian culture In addition to introductory and concluding chapters the book features twelve individuals one per chapter drawing from a range of areas such as arts sports journalism and business While upper level Russian textbooks tend to emphasize grammar and reading more traditional works of Russian literature this book instead seeks to primarily engage students in learning about and discussing the breadth of contemporary Russian culture while weaving the study of grammar and vocabulary into those discussions In addition to readings and in class communicative activities the book also features guided research assignments that encourage students to make use of the many personality interviews and YouTube clips available online For Instructors Exam copies of the textbook are available free of charge to instructors and can be ordered on this page To request a print sample please use the print exam copy button To request a digital sample instructors should log onto VitalSource com select Faculty Sampling in the upper right hand corner and select the desired product **Faces of Contemporary Russia** Olga Mesropova,2019

Contemporary Russia Edwin Bacon,2024-06-25 This textbook offers an up to date and incisive overview of contemporary Russia Systematically covering the country s history geography society politics economy and culture it analyses current developments the headlines and the more everyday and situates its analysis in the wider historical context to help readers make sense of one of the world s most important regions Building on the success of its previous editions and analysing complex questions in the light of expertise gathered over decades this remains the leading text for a wide ranging account of Russia today Praised for its accessible and engaging writing style this new edition is essential reading for anyone interested in gaining a more nuanced and wide ranging understanding of contemporary Russia It is ideal for undergraduate and postgraduate students studying Russian society culture politics and international relations *Memory Politics in Contemporary Russia* Mariëlle Wijermars,2018-07-11 This book examines the societal dynamics of memory politics in Russia Since Vladimir Putin became president the Russian central government has increasingly actively employed cultural memory to claim political legitimacy and discredit all forms of political opposition The rhetorical use of the past has become a defining characteristic of Russian politics creating a historical foundation for the regime s emphasis on a strong state and centralised

leadership Exploring memory politics this book analyses a wide range of actors from the central government and the Russian Orthodox Church to filmmaker and cultural heavyweight Nikita Mikhalkov and radical thinkers such as Aleksandr Dugin In addition in view of the steady decline in media freedom since 2000 it critically examines the role of cinema and television in shaping and spreading these narratives Thus this book aims to gain a better understanding of the various means through which the Russian government practices its memory politics e g the role of state media and on the other hand to sufficiently value the existence of alternative and critical voices and criticism that existing studies tend to overlook Contributing to current debates in the field of memory studies and of current affairs in Russia and Eastern Europe this book will be of interest to scholars working in the fields of Russian Studies Cultural Memory Studies Nationalism and National Identity Political Communication Film Television and Media Studies [Contemporary Russia](#) Edwin Bacon,2014-05-01 The third edition of Contemporary Russia is fully revised to provide a comprehensive introduction to the society politics and culture of one of the most important countries in global affairs today The author details Russia s historical background as well as the nation s current concerns and distinctive features in this accessible analysis [The Politics of Poverty in Contemporary Russia](#) Ann-Mari Sätre,2019-01-15 This book provides an overview of poverty and well being in Russia Increasing poverty rates during the 1990s were followed by greater attention to social policies in the 2000s and increased efforts to engage people in socially oriented NGOs and encourage them to contribute to the fulfillment of social aims What impact did these developments have on the prevalence of poverty in contemporary Russian society Tracing continuities from the Soviet system alongside recent developments such as the falling price of oil economic sanctions and changes in directions of social policy this book explores the impact of poverty inequality and social programmes The author examines the agency of people living in poverty and those engaged in social policy using official statistics survey data and interviews from four Russian regions to explain the reasons and consequences of poverty and people s attempts to get out of it The approach is based on institutional theory complemented by Amartya Sen s capability approach highlighting the importance of agency and an institutional framework as a means for change A timely book that will be of interest to students of contemporary Russian politics as well as those engaged in social policy issues [Political Ideologies in Contemporary Russia](#) Elena Chebankova,2020-11-18 In the realm of political discourse there is a distinct gap in understanding between Russia and the West To an outsider the ideas that animate the actions of Russia s ruling elite opposition and civil society from the motivations driving Russia s political actors to the class structure and international and domestic constraints that shape Russia s political thinking remain shrouded in mystery Contrary to the view that a bleak discursive uniformity reigns in Vladimir Putin s Russia Political Ideologies in Contemporary Russia shows that the country is engaging in serious theoretical debates across a wide spectrum of modern ideologies including liberalism nationalism feminism and multiculturalism Elena Chebankova argues that the nation is fragmented and the state seeks to balance the various ideological movements to ensure that none dominates She

shows that each of the main ideological trends is far from uniform but the major opposition is between liberalism and traditionalism The pluralistic picture she describes contests many current portrayals of Russia as an authoritarian or even totalitarian state Offering an alternative to the Western lens through which to view global politics **Political Ideologies in Contemporary Russia** is a major contribution to our understanding of this world power

Economic Developments in Contemporary Russia Ian Jeffries, 2011-03-07 This book provides a comprehensive overview of economic developments in Russia since the late 1990s Key subjects covered include economic transition privatization and liberalization changes in land ownership and agriculture energy foreign direct investment economic stabilization and economic performance

Political Ideologies in Contemporary Russia Elena Chebankova, 2020-11-18 In the realm of political discourse there is a distinct gap in understanding between Russia and the West To an outsider the ideas that animate the actions of Russia's ruling elite opposition and civil society from the motivations driving Russia's political actors to the class structure and international and domestic constraints that shape Russia's political thinking remain shrouded in mystery Contrary to the view that a bleak discursive uniformity reigns in Vladimir Putin's Russia **Political Ideologies in Contemporary Russia** shows that the country is engaging in serious theoretical debates across a wide spectrum of modern ideologies including liberalism nationalism feminism and multiculturalism Elena Chebankova argues that the nation is fragmented and the state seeks to balance the various ideological movements to ensure that none dominates She shows that each of the main ideological trends is far from uniform but the major opposition is between liberalism and traditionalism The pluralistic picture she describes contests many current portrayals of Russia as an authoritarian or even totalitarian state Offering an alternative to the Western lens through which to view global politics **Political Ideologies in Contemporary Russia** is a major contribution to our understanding of this world power

Women in Contemporary Russia Vitalina Koval, 1995 The position of Russia has always been difficult In spite of the Revolution in 1917 the legal economic social and political inequalities between men and women have remained severe For more than seventy years the official propaganda of the Soviet system deliberately concealed from the public in the West as well as the East the actual position of women presenting it in rose colored hues and proclaiming that under socialism the issue of the position of women in society had been resolved once and for all However the opposite was true women increasingly suffered from overt and covert discrimination In fact the discrepancy between the official and actual positioning of working women became so acute that it led to serious social problems The democratic reforms of the mid 1980s brought some positive changes at last for the first time the women's issue was recognized as an urgent socio political problem requiring serious investigation and practical measures The authors of this collection of original essays most of whom are social scientists at the Moscow Academy of Science examine those aspects of life of women in Russia today which are most pressing not least those arising from the multi ethnic composition of the Russian Federation that comprises more than one hundred different nationalities and in which women constitute fifty three per cent of the population

Women's Activism in

Contemporary Russia Linda Racioppi, Katherine O'Sullivan See, 1997 They also examine the dynamics among these women's groups in Russia and reveal how the personal life histories of the activists reflect the ways women have responded to the changing political economic and social landscape in the former Soviet Union

Political Developments in Contemporary Russia Ian Jeffries, 2011-03-07 This book provides a comprehensive overview of political developments in Russia since late 2000 following on from where the author's previous publication *The New Russia* left off It covers all aspects of politics including the following the highly centralized nature of power in Russia central government and presidential elections regional government and developments in the republics including unrest in Chechnya and the other Caucasian republics and human rights Taking a chronological approach it shows how politics overall has changed over the period including how the relationship between Prime Minister formerly President Vladimir Putin and President Dmitri Medvedev has worked out The book continues and adds to the overview of developments in the author's *The New Russia 2002* and is the companion volume to *Economic Developments in Contemporary Russia 2011* both published by Routledge

Contemporary Russia Edwin Bacon, 2010-04-15 *Contemporary Russia* provides a readable and accessible introduction to Russia's politics economics and society focusing especially on the Putin legacy and Medvedev's presidency Present developments are set in the historical context of the events and trends of Russia's first post Soviet decade and of the country's changing place in the world

Putin Redux Richard Sakwa, 2014-05-23 This book builds on the strengths of the previous volumes by the same author to provide the most detailed and nuanced account of the man his politics and his profound influence on Russian politics foreign policy and society However this is not a new edition of the earlier books but is an entirely new work The focus now is on the dilemmas of power since 2008 There is a brief biographical sketch of Vladimir Putin and much analysis of his ideas and policies but the book now focuses on the systemic contradictions that have created a blockage on modernisation and a stalemate in politics Putin's role as Prime Minister since 2008 and his political successes and failures analysis of the implications of Putin's third term as President and the 2011-12 electoral cycle and the ensuing crisis which led to thousands protesting on the streets This work assesses the achievements and failing of Putin's rule but above all tries to make sense of contemporary developments This is the definitive account of Putin and is essential reading for all scholars and students of Russian politics

Sex Work in Contemporary Russia Emily Schuckman Matthews, 2023-02-13 *Sex Work in Russia* weaves together a wide range of materials to examine the figure of the female sex worker in Russia from the early twentieth century to the present day This book offers readers both an expansive and nuanced discussion of the significance of this archetypal female who appears with remarkable frequency in literature film and other cultural productions Emily Schuckman Matthews explores the ways in which the fictional sex worker and her real life counterpart has become a symbolic representative of social and moral instability economic volatility political social and ideological revolutions and changing concepts of gender sexuality and the nation itself Focus is given to the movement of the female sex worker from marginal foil to a hero in her

own right even finding a voice of her own in recent years Works featuring this alluring and complex figure reveal critical insights into the changing position of women and other marginalized people in a volatile Russia

Contemporary Russia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Contemporary Russia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Contemporary Russia has opened up a world of possibilities. Downloading Contemporary Russia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Contemporary Russia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Contemporary Russia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Contemporary Russia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Contemporary Russia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Contemporary Russia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Contemporary Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital

eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Contemporary Russia is one of the best book in our library for free trial. We provide copy of Contemporary Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Contemporary Russia. Where to download Contemporary Russia online for free? Are you looking for Contemporary Russia PDF? This is definitely going to save you time and cash in something you should think about.
