## **Contestable Concepts Of Literary Theory:**

**Contestable Concepts of Literary Theory** Arthur Keister Moore,1973-01-01 *Theory's Empire* Daphne Patai,Wilfrido Howard Corral,2005 Not too long ago literary theorists were writing about the death of the novel and the death of the author today many are talking about the death of Theory Theory as the many theoretical isms among them postcolonialism postmodernism and New Historicism are now known once seemed so exciting but has become ossified and insular This iconoclastic collection is an excellent companion to current anthologies of literary theory which have embraced an uncritical stance toward Theory and its practitioners Written by nearly fifty prominent scholars the essays in Theory s Empire question the ideas catchphrases and excesses that have let Theory congeal into a predictable orthodoxy More than just a critique however this collection provides readers with effective tools to redeem the study of literature restore reason to our intellectual life and redefine the role and place of Theory in the academy

**The Literary Coherence of the Book of Micah** Kenneth H. Cuffey,2015-02-26 The Literary Coherence of the Book of Micah puts forth a framework to understand the nature of literary coherence This enables an analysis of the sources and dimensions of the coherence found in the book of Micah by the primary scholarly proposals for understanding the structure and connectedness of the whole book Each of these proposals ultimately fails to account for all the features found in the text The author then explains a new reading of the final form of the text of Micah based on the placement of the references concerning the remnant A brief exposition of the text as a canonical whole indicates the flow and development in the final form of the book The framework formulated earlier provides a basis to evaluate the coherence that this understanding of the book of Micah uncovers and to show that this means of reading the canonical book best accounts for the greatest number of features in the text

**The Distinctive Literary Property** James Harry McCormick,1977 **Narrative Identity and Personal Responsibility** Linda Ethell,2010-06-28

Narrative Identity and Personal Responsibility is about why and how identifying ourselves by means of narrative makes it possible for us to be responsible morally and otherwise. The book begins as an investigation into how it is that we can hold people responsible for who they are despite the fact that we have almost no control over our lives in our formative years. It explains the relation between representation, personal identity, and self-knowledge, demonstrating how awareness of the vulnerability of our identity as persons is the origin of our capacity for the cathartic revision of a self-identifying narrative, which is the condition of moral awareness. Innovative in its interdisciplinary juxtaposition of ethics, moral psychology, literary theory, and literature, *Narrative Identity and Personal Responsibility* develops a sophisticated and comprehensive account of human nature. This book offers an intuitively satisfying and humane yet rigorous account of why and how we think of ourselves as simultaneously free and constrained by nature. Its fundamental thesis, the mediation of narrative representation between agent and the world, suggests new answers to old problems in moral psychology, such as the question of free will and responsibility. With a more literary style than many philosophy texts, it works through a series of interconnected problems of as much interest to a thoughtful layperson as to academic philosophers. *Beautiful Theories* Elizabeth W. Bruss, 1982

**Twentieth-century Literary Criticism** Gale Research Company, 2001 Excerpts from criticism of the works of novelists, poets, playwrights, and other creative writers 1900-1960 Centrum, 1977 **The New Orleans Review**, 1983 The Publishers' Trade List Annual, 1989 The Literary Review, 1979 An international journal of contemporary writing

*Directory of American Scholars* Jaques Cattell Press, 1974 **The Georgia Review**, 1973 *MLA International Bibliography of Books and Articles on the Modern Languages and Literatures*, 1974 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 **De-structuring the Novel** Leonard Orr, 1982 The merit of this book lies not in the way it discusses hermeneutics or postmodernism but in the representation of time in the novel. Orr enables readers to produce meaningful readings of nonlinear, in other words, difficult novels. **STYLE** **Bulletin of Literary Semiotics**, 1975 The Virginia Quarterly Review, 1974
