Contested Eden California Before The Gold Rush:

Contested Eden Ramón A. Gutiérrez, Richard J. Orsi, 1998-03-31 Celebrating the 150th birthday of the state of California offers the opportunity to reexamine the founding of modern California from the earliest days through the Gold Rush and up to 1870 In this four volume series published in association with the California Historical Society leading scholars offer a contemporary perspective on such issues as the evolution of a distinctive California culture the interaction between people and the natural environment the ways in which California's development affected the United States and the world and the legacy of cultural and ethnic diversity in the state California before the Gold Rush the first California Sesquicentennial volume combines topics of interest to scholars and general readers alike The essays investigate traditional historical subjects and also explore such areas as environmental science women's history and Indian history Authored by distinguished scholars in their respective fields each essay contains excellent summary bibliographies of leading works on pertinent topics This volume also features an extraordinary full color photographic essay on the artistic record of the conquest of California by Europeans as well as over seventy black and white photographs some never before published *California History, Contested Eden; California Before the Gold Rush*, **A Companion to California History** William Devereell, David Iglar, 2014-01-28 This volume of original essays by leading scholars is an innovative thorough introduction to the history and culture of California Includes 30 essays by leading scholars in the field Essays range widely across perspectives including political social economic and environmental history Essays with similar approaches are paired and grouped to work as individual pieces and as companions to each other throughout the text Produced in association with the Huntington USC Institute on California and the West **The California Campaigns of the U.S.-Mexican War, 1846-1848** Hunt Janin, Ursula Carlson, 2015-05-04 For the Mexican government to go to war with its more powerful northern neighbor in 1846 was folly Mexico surrendered to the United States more than half a million square miles of territory contributing to a legacy of distrust and bitterness towards the U S that has never entirely dissipated The real prize was California The Californios Spanish speaking non native inhabitants of the province of Alta Upper California had ambiguous loyalties to the Mexican government and minimal military capabilities American control of California was considered the keystone of Manifest Destiny and naval and amphibious operations along the Pacific coast began as early as 1821 and continued for weeks after the end of the war This book describes the often overlooked military and naval operations in California before and during the Mexican War and introduces readers to the colorful Californios the American adventurers who arrived after them and the Indians who preceded them both *California, 1542-1850* Robin Santos Doak, 2006 Discusses the early history and colonial life in California [Native America and the Question of Genocide](#) Alex Alvarez, 2014-03-14 Did Native Americans suffer genocide This controversial question lies at the heart of Native America and the Question of Genocide After reviewing the various meanings of the word genocide author Alex Alvarez examines a range of well known examples such as the Sand Creek

Massacre and the Long Walk of the Navajo to determine where genocide occurred and where it did not The book explores the destructive beliefs of the European settlers and then looks at topics including disease war and education through the lens of genocide Native America and the Question of Genocide shows the diversity of Native American experiences postcontact and illustrates how tribes relied on ever evolving and changing strategies of confrontation and accommodation depending on their location the time period and individuals involved and how these often resulted in very different experiences Alvarez treats this difficult subject with sensitivity and uncovers the complex realities of this troubling period in American history

We Are Not Animals Martin Rizzo-Martinez,2022-02 Winner of the 2023 John C Ewers Award from the Western History Association 2023 Choice Outstanding Academic Title By examining historical records and drawing on oral histories and the work of anthropologists archaeologists ecologists and psychologists We Are Not Animals sets out to answer questions regarding who the Indigenous people in the Santa Cruz region were and how they survived through the nineteenth century Between 1770 and 1900 the linguistically and culturally diverse Ohlone and Yokuts tribes adapted to and expressed themselves politically and culturally through three distinct colonial encounters with Spain Mexico and the United States In We Are Not Animals Martin Rizzo Martinez traces tribal familial and kinship networks through the missions chancery registry records to reveal stories of individuals and families and shows how ethnic and tribal differences and politics shaped strategies of survival within the diverse population that came to live at Mission Santa Cruz We Are Not Animals illuminates the stories of Indigenous individuals and families to reveal how Indigenous politics informed each of their choices within a context of immense loss and violent disruption
