Continuing Professional Development Additional Support Needs:

Continuing Professional Development of TESOL Practitioners Andrzej Cirocki, Raichle Farrelly, Heather Buchanan, 2023-11-27 This textbook serves as a current and comprehensive resource on effective Continuing Professional Development CPD for TESOL practitioners in various contexts around the world at various stages in their careers The practices described by language teachers teacher educators and professional development providers in this book offer a vision of critical issues to consider when designing and evaluating professional development opportunities Effective professional development requires careful planning informed by the realities of the local context and the specific needs of the teachers This textbook is designed to support those who provide professional development opportunities by presenting global perspectives on professional development for a range of teaching contexts at different language levels Each chapter includes a discussion about the type and source of support available in the given context as well as a reflection on the challenges that exist for both teachers and CPD providers These insights serve to help CPD designers and providers as they problematize teacher development opportunities in their context Each chapter concludes with a synthesis of the strengths of CPD in the local context and a discussion of future directions that target opportunities for transformation and improvement This volume celebrates teachers teacher educators and CPD providers around the world High impact practices are presented from fifteen countries Cameroon Canada Costa Rica Indonesia Kazakhstan Malta New Zealand Norway Oman Qatar South Africa South Korea Sri Lanka Tanzania and the United States of America

The Praeger International Handbook of Special Education Michael L. Wehmeyer, James R. Patton, 2017-06-15 This handbook provides a concise overview of special education services in countries across the world using the Article on Education in the United Nations Convention on the Rights of Persons with Disabilities as the analytical frame The Praeger International Handbook of Special Education presents a concise and clear overview of special education services in more than 70 countries across the world using the Article on Education in the United Nations Convention on the Rights of Persons with disabilities as the analytical frame Each chapter offers information about the country in general followed by sections on the public education system the private education system the special education system teacher training requirements and barriers to and promising trends in inclusive and special education The volumes and chapters are organized by the United Nations Geoscheme with Volume 1 including an overview of the volumes and chapters on countries in the Americas Volume 2 addressing countries from Europe and Africa and Volume 3 focusing on countries in Asia and Oceania This is the most complete exploration of the delivery of supports and services to children and youth with disabilities across the globe available The volumes do not compare among or between countries but rather provide a baseline for understanding current special education practices and their relationship with general education and inclusive practices across the globe Readers will come away with an in depth understanding of what is happening with regard to the implementation of special education services and Article 24 of the Convention for the Rights of

People with Disabilities This valuable reference set serves researchers graduate students and policymakers in special and general education as well as professionals focused on issues of education worldwide and scholars focused on international special education As such this handbook will be an important reference source for university libraries professional associations and policy entities

The Early Years Teacher's Book Leonie Abrahamson,2018-02-26 This is a clear comprehensive systematic and practical guide to achieving Early Years Teacher Status and meeting the EYT Standards and requirements

Scottish Education A. Kennedy,D. Gillies,W. M. Humes,T. G. K. Bryce,2018-07-31 This detailed informed and critical account of contemporary education in Scotland examines each of the main sectors in depth early years primary secondary further and higher education It scrutinises the historical cultural political and socio economic dimensions within which schools colleges and universities operate Featuring 67 new authors and updated and expanded throughout this fifth edition is so substantially updated from the previous edition as to practically constitute a new book The contributors have drawn on up to date research and professional analysis to give fresh insights into recent educational developments in particular during the period from the Independence referendum in 2014 through the complexities of the post Brexit years These have been years when education has faced difficult challenges and the writers analyse the many factors affecting teachers efforts to operate during uncertain times This latest edition contains forthright and informed commentary on every aspect of education and is essential reading for anyone concerned to know how education currently works in Scotland

Continuing Professional Development Paul Hamill,Kathleen Clark,2005 The Continuing Professional Development series sets out to demystify professional development in education and does so from a Scottish perspective All books in the series approach their subject in an accessible manner that allows teachers and educators to perceive how continuing professional development can enhance job satisfaction as well as making a real difference to the most important client group of all the pupils and students in their care
