Contract Law From A Drafting Perspective:

Contract Law from a Drafting Perspective Thomas R. Haggard, 2003 This law school casebook takes a student beyond knowledge of the substance of contract principles doctrines and rules It contains a concise review of the contract drafting process and the accepted rules of style and usage with corresponding exercises Students then put this into practice through a series of exercises in which they draft a variety of contract provisions and complete contracts The book is suitable for use as a supplemental text in a first year contracts course or in an upper class course on contract drafting

Contract Law in Perspective Linda Mulcahy, 2008-08-18 Contract Law in Perspective complements black letter treatments of contract by looking at legal doctrine and statutes in their social political and economic contexts It increases students understanding of the law of contract as well as convinces them why it is so important to us all In addition to describing the key doctrines in the field it explains the ideology behind them and considers the extent to which they serve the needs of the business community and consumers The book broadens understanding and appreciation of the subject by reference to the big ideas in contract theory and how these relate to practice at a level which is suitable for students This fifth edition has been substantially revised and now includes sections on privity and the Rights of Third Parties Act as well as a discussion of the Law Commission's Unfair Terms in Contract draft bill includes new chapter introductions and summaries designed to help students identify the key points and reflect on what they have learnt provides advice on further reading pointing students towards sources for more detailed study now includes additional self test questions for students at the end of each chapter to enable them to consolidate and practice at regular intervals

Rules of Contract Law, 2015-2016 Statutory Supplement Charles L. Knapp, Nathan M. Crystal, Harry G. Prince, 2015-08-07 Rules of Contract Law 2015 2016 Statutory Supplement *English and European Perspectives on Contract and Commercial Law* Louise Gullifer, Stefan Vogenauer, 2014-10-23 The purpose of this book is to honour the influential and wide ranging work of Professor Hugh Beale It contains essays by twenty five very distinguished authors each of whom has worked with Professor Beale as a co author as a teaching colleague during his time as Law Commissioner of England and Wales or as part of the study groups working in Europe on contract and commercial law The essays reflect different aspects of Professor Beale's interests Some concentrate on English contract law either from a historical or a current perspective while others are focused on aspects of European contract law There are four essays looking at current issues relating to security and financing and as befits a former Law Commissioner three essays on law reform The essays in the final section discuss trends in transnational and European commercial law This book brings together the reflections of eminent writers from all over Europe on important issues facing contract and commercial law and will be of interest to all scholars and practitioners working in these areas

Unfair terms in consumer contracts in a European perspective, 1991 Summary

Contract Law in Perspective Linda Mulcahy, 2008 Contract Law in Perspective complements black letter treatments of contract by looking at legal doctrine and statutes in their social political and

economic contexts It increases students understanding of the law of contract as well as convinces them why it is so important to us all In addition to describing the key doctrines in the field it explains the ideology behind them and considers the extent to which they serve the needs of the business community and consumers The book broadens understanding and appreciation of the subject by reference to the big ideas in contract theory and how these relate to practice at a level which is suitable for students This fifth edition has been substantially revised and now includes sections on privity and the Rights of Third Parties Act as well as a discussion of the Law Commission s Unfair Terms in Contract draft bill includes new chapter introductions and summaries designed to help students identify the key points and reflect on what they have learnt provides advice on further reading pointing students towards sources for more detailed study now includes additional self test questions for students at the end of each chapter to enable them to consolidate and practice at regular intervals

Perspectives for European Consumer Law Hans Schulte-Nölke, Lubos Tichy, 2010-12-23 The forthcoming Directive on Consumer Rights is part of a far reaching European development in the field of consumer law and general contract law The European Commission has initiated the long expected broad shift to full harmonisation This puts the national laws and all lawyers applying it under new challenges In future the Member States will be prohibited from deviations not only downwards but also upwards In particular the relation between EC and national consumer law and general contract law is under question The Czech EU Presidency in the first half of 2009 gave the occasion for a conference organised by the Charles University the Acquis Group and the Czech European Consumer Center at Prague Leading contract law scholars policy makers and stakeholders from across Europe put the Proposal under close scrutiny from political legal and practical angles This volume contains the results of the conference and thus responds to the question of the extent to which the Proposal offers indeed perspectives for European consumer law It also contains a position paper elaborated by the Acquis Group in the aftermath of the conference which highlights strengths and weaknesses and suggests improvements of the Proposal

European Private Law - Current Status and Perspectives Reiner Schulze, Hans Schulte-Nölke, 2011-03-30 Business law and labour law are driving forces and core areas of European private law New concepts and approaches are thus required that are not limited to civil law and that are different from those traditionally embraced by national private law These new challenges regarding the current status and perspectives of European private law are discussed in this volume by sixteen highly reputed researchers from across Europe The contributions concern various areas of European private law including contract property company competition and labour law This book will be an invaluable source for all those working on European law and private law within Europe

Kunej, 2007 Haggard and Kunej s Legal Drafting in a Nutshell provides guidance on producing transactional documents contracts instruments legislation and regulations that solve existing problems and prevent future problems It offers both a large scale overview of the drafting process and a small scale discussion of the mechanics of legal documents at the sentence word and punctuation level

Journal of the

Association of Legal Writing Directors ,2006 **Drafting Contracts** Tina L. Stark,2007 A perfect fit for the upper level legal drafting course *Drafting Contracts How and Why Lawyers Do What They Do* teaches the key practices of contract drafting with particular emphasis on how to incorporate the business deal into the contract and add value to the client s deal By providing many solid examples of quality writing the book helps students to master the basics and to incorporate similar techniques into their own drafting This text is also appropriate for use in transactional simulation courses transactional clinics advanced writing courses first year writing courses first year contracts courses and interviewing negotiating and counseling courses Many great features ensure the value and reliability of this text PART I introduces the building blocks of contracts and teaches the analytic skill of translating the business deal into contract concepts so that students learn how and why a drafter chooses a specific contract concept PART II sets out the framework of an agreement and works through it from the preamble to the signature lines discussing the business legal and drafting issues that occur in each part of a contract PART III turns to drafting rules for good writing and to techniques for enhancing clarity and avoiding ambiguity PART IV details how to look at the contract from the client s perspective what does the client want to achieve and what risks does it want to avoid in order to find and resolve business issues PART V shows students how to integrate everything they have learned how to organize a contract how to use precedents and how to review and comment on a contract PART VI addresses ethical issues that arise in drafting PART VII provides additional exercises presents a five prong framework for considering business issues that appear in almost every transaction money risk control standards and endgame Chapter 17 Adding Value to the Deal includes plentiful examples of well drafted provisions many based on commercial agreements provides exercises for use in or out of class individually or collaboratively including contract mark ups new drafting and both combined into a single exercise integrates a single fact pattern throughout many exercises in the book the purchase of a jet by a ne er do well with significant financial problems and varying fact patterns relating to employment relationships and to assignment and delegation provisions accompanied by a Teacher s Manual that includes notes explaining the answers to each exercise and answers to questions that students commonly ask also accompanied by a website that provides all mark up exercises that can be projected and walked through during class a template for formatting and multiple versions of one of the culminating exercises so that professors can use the version best suited to their classes An author website to support classroom instruction using this title is available at <http://www.aspenlawschool.com/stark> *Journal of Contract Law* ,1998 **Legal Writing and Other Lawyering Skills** Nancy L. Schultz,2004 **Business Law Today** ,2005 **The AALS Directory of Law Teachers** ,2004 **Southern University Law Review** Southern University and A & M College. School of Law,2009 *Contract Law and Its Application* Daniel J. Bussel,Arthur Irwin Rosett,2006 The Seventh Edition casebook has several distinct aims Those who prefer to emphasize the centrality of remedies and the economic orientation that implies will find the new order of chapters congenial Those who cannot imagine not starting with a discussion of the concept of bargain or even

offer and acceptance will find that they do not need to rip the book apart to do so New teachers who are likely to view the experience of teaching contracts very differently at the end of the semester need not worry about conducting major surgery to change their approach the next year The book is constructed out of relatively brief interchangeable and free standing blocks At the same time the authors continue to avoid the temptation to edit cases heavily It remains very important to present a judicial opinion that discloses the judge s process of decision and enough of the reasoning underlying the conclusion for students to appreciate the decision making process It appears that most students and teachers prefer newer cases and up to date issues for examination The authors have sadly bid farewell to a number of old friends that have been replaced by more contemporary cases These new cases present students with relevant issues stated in a currently recognizable voice **University of Arkansas at Little Rock Law Review** ,2004 *Contract Law and Its Application* Addison Mueller,Arthur Irwin Rosett,Arthur I. Rosett,Gerald P. López,1983 *Contract Law and Its Application* Arthur Irwin Rosett,Daniel J. Bussel,1999 This casebook provides detailed information on contract law and its application The casebook provides the tools for fast easy on point research Part of the University Casebook Series it includes selected cases designed to illustrate the development of a body of law on a particular subject Text and explanatory materials designed for law study accompany the cases
