Andy Warhol Idea Journal Galison,2013-01-01 Have fun brainstorming with an Andy Warhol Idea Journal from Galison Andy Warhol 1928 87 was one of the preeminent American artists of the twentieth century This journal was created in conjunction with the Andy Warhol Foundation for the Visual Arts Inc and uses details from various Andy Warhol artworks 1958 1987 You need to let the little things that would ordinarily bore you suddenly thrill you Andy Warhol The Collected Writings of Joe Brainard Joe Brainard,2012-03-29 Discover the works of Joe Brainard whose quirky style earned him a reputation as a recognizable American phenomenon and oddball classicist with a foreword by 4321 author Paul Auster John Ashbery An artist associated with the New York School of poets Joe Brainard 1942 1994 was a wonderful writer whose one of a kind autobiographical work I Remember has had a wide and growing influence It is joined in this major new retrospective with many other pieces that for the first time present the full range of Brainard s writing in all its deadpan wit madcap inventiveness self revealing frankness and generosity of spirit The Collected Writings of Joe Brainard gathers intimate journals jottings stories one liners comic strips mini essays and short plays many of them available until now only as expensive rarities if at all Brainard disarms us with the seemingly tossed off spontaneous nature of his writing and his stubborn refusal to accede to the pieties of self importance writes Paul Auster in the introduction to this collection These little works are not really about anything so much as what it means to be young that hopeful anarchic time when all horizons are open to us and the future appears to be without limits Assembled by the author s longtime friend and biographer Ron Padgett and including fourteen previously unpublished works here is a fresh and affordable way to rediscover a unique American artist **American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History** Gina Misiroglu,2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index **Andy Warhol Idea Book** ,2002 **Andy Warhol's Art and Films** Patrick S. Smith,1986 An inside peek at the persona of the Pop artist and his famous Factory as revealed by 125 interviews with Warhol himself his associates and his friends Back cover The Philosophy of Andy Warhol Andy Warhol,1977 Warhol offers his observations of love beauty fame work and art and discusses the continuous play and display of his many fetishes **Do Everything in the Dark** Gary Indiana,2023-05-02 A dark yet compassionate comedy of

art aspirations and friendships come to naught First published in 2003 Gary Indiana's turn of the millennium novel traces the lives of a loosely connected group of New York artists and the dissolution of their scene During the summer of 2001 the narrator of *Do Everything in the Dark* a gallery curator receives intermittent dispatches from his far flung friends many of whom resemble well known figures in the art and intellectual worlds who are spread out across the globe from Istanbul to Provincetown to Santa Fe Seeking various reprieves from a changed New York the long festering glossed over incompatibilities of these aging bohemians blossom into exotic and unbearable relief Beneath the contemporary excesses Indiana chronicles we can see the outlines of the earlier New York bohemia captured by Dawn Powell Arguably Indiana's most intimate internal and compassionate work to date *Do Everything in the Dark* is a chilling chronicle of madness and failure success and disappointment and the many ways love dies in a world people find increasingly unlivable

Timelines of American Literature Cody Marrs, Christopher Hager, 2019-01-29 A collection of engaging essays that seeks to uniquely reperiodize American literature It is all but inevitable for literary history to be divided into periods Early American antebellum modern post 1945 such designations organize our knowledge of the past and shape the ways we discuss that past today These periods tend to align with the watershed moments in American history even as the field has shifted its perspective away from the nation state It is high time we rethink these defining periods of American literary history as the drawing of literary timelines is a necessary even illuminating practice In these short spirited and imaginative essays 23 leading Americanists gamely fashion new unorthodox literary periods from 600 B C E to the present from the Age of Van Buren to the Age of Microeconomics They bring to light literary and cultural histories that have been obscured by traditional timelines and raise provocative questions What is our definition of modernism if we imagine it stretching from 1865 to 1965 instead of 1890 to 1945 How does the captivity narrative change when we consider it as a contemporary not just a colonial genre What does the course of American literature look like set against the backdrop of federal denials of Native sovereignty or housing policies that exacerbated segregation Filled with challenges to scholars inspirations for teachers anchored by an appendix of syllabi and entry points for students *Timelines of American Literature* gathers some of the most exciting new work in the field to showcase the revelatory potential of fresh thinking about how we organize the literary past
