C. Jones,2017-10-15 A Chicago native a kind and gentle man living in Chicago on his way home from work one late Friday night on a subway train got robbed and killed He wakes up to find himself in heaven where he meets Michael the Archangel of war Michael asked him to go back to earth as an angel in his army of angels sent around the world to wage a war on humanity and crime Man s dirty wars that bring human indignity human injustices and death around the

world to the innocent humans caught in the crossfires of other evil humans John Griswall is his name and this is his story true to fact as I know it John becomes an angel of death in Michael s army He wants to do his part in saving the world from themselves Save his beloved family he left behind from God s wrath of Armageddon if the angels fail to make a difference John goes back to Chicago and fights crime and the injustices done to humans by other humans He goes around the city of Chicago killing criminals sending their souls to hell The police think there is a vigilante killer loose in the city doing the killing He does not discriminate in picking his criminal victims picking from a range of petty thieves murders Child molesters rapists mob bosses politicians and dirty cops The dragnet is on for a deadly serial killer Wherever he goes and whoever he kills he leaves his calling card A death card found on the body only he can leave sending out the word it was him and only him bringing death to all criminals who cross his path A team of hard nosed veteran detectives try to find and stop this vigilante only to find out he is a real angel What are you going to do to a real angel sent from heaven You cannot kill or imprison a real angel Man s laws do not apply to non humans or holly figures such as angels Chicago is forced to come to terms with this new lawman or should I say Law angel in town and learn to live with him and a new Chicago because he is here to stay Detective Sargent Christy Evans who leads her team of homicide detectives are hot on his trail chasing a vigilante killer They continued mopping up the carnage of dead bodies after each of the murders hoping to get one step closer to him and stopping this killer After some very intense investigations and a dozen murders later Detective Evans and some police officers find out the true facts and think this is a real angel that has come to earth and is doing all the killing No human has the super human strength to do what this angel does in his methods of killing Detective Evans is willing to follow him into the pits of hell if that is what it takes to catch him and ask him why Why now and who is next is the most important questions Christy is willing to risk her own life to find out the answers Detective Evans faces opposition and conflict from those who do not believe in angels and demons heaven and hell Some people believe in such things and some do not which causes her great turmoil in her own ranks She must make believers out of the peers she must answer to Some people must be convinced the hard way by this one sole detective this is a real angel and heaven does exist They find out he is here to stay and not to mess with him or get in his way or else Others refuse to believe until it is too late for them to repent and the only other option is death What do you do with a real angel from heaven killing criminals and finding bodies by the dozens He does not fall under man s written laws God has invoked a set of new laws for man to follow and John only answers to God and heaven Chicago is forced to come to terms with new laws and this angel here to carry them out They learn to live with him and a new Chicago The hard choices are theirs as I tell John s story about the day an Angel came to Chicago
