Angel in the Forest Marguerite Young,1966      Dictionary of Angels Gustav Davidson,1994-10 An investigation of the evidence in Talmudic gnostic apocalyptic partristic and legendary texts concerning immortal winged beings      *Angel in the Forest* Marguerite Young,1945      The Angel in the House Coventry Kersey Dighton Patmore,1860      *The Angel in the Cloud* Edwin Wiley Fuller,1881      **The Angel in the Flame** Charles J. Little,1904      *AN ANGEL IN EXILE* Quinn Thorne,2026-01-08 In the wild heart of Montana where mountains remember every secret a man who s spent his life hiding from fame collides with a woman who s spent hers running from danger Kit Greenwell the cowboy the world knows as megastar Ryder Greene returns home to the serenity of Ruby Valley but peace doesn t last Not when a mysterious woman bursts from a storm soaked forest and stares at him with emerald eyes he can t forget Not when the same woman reappears in the middle of New York City and vanishes into the crowd like a ghost She is Inez Blackham A woman built from survival and secrets A woman who has redesigned her entire life to stay unseen Until Kit steady stubborn beautifully human Kit becomes the one person fate keeps putting in her path Two worlds One collision course A rancher who never wanted to be famous and an exile who no longer believes she deserves to be safe Between the mountains of Montana and the madness of the city between fear and longing between truth and the past that hunts her their lives begin to braid together in ways neither of them understands but both feel Danger is coming Love is rising Some connections refuse to be outrun An Angel in Exile is a sweeping addictive slow burn romantic thriller about two souls finding each other in the most impossible ways and what happens when the universe refuses to let them go      **Angel of Oblivion** Maja Haderlap,2016-08-30 Haderlap is an accomplished poet and that lyricism leaves clear traces on this ravishing debut which won the prestigious Bachmann Prize in 2011 The descriptions are sensual and the unusual similes and metaphors occasionally change perspective unexpectedly Angel of Oblivion deals with harrowing subjects murder torture persecution and discrimination of an ethnic minority in intricate and lyrical prose The novel tells the story of a family from the Slovenian minority in Austria The first person narrator starts off with her childhood memories of rural life in a community anchored in the past Yet behind this rural idyll an unresolved conflict is smouldering At first the child wonders about the border to Yugoslavia which runs not far away from her home Then gradually the stories that the adults tell at every opportunity start to make sense All the locals are scarred by the war Her grandfather we find out was a partisan fighting the Nazis from forest hideouts Her grandmother was arrested and survived Ravensbr ck As the narrator grows older she finds out more Through conversations at family gatherings and long nights talking to her grandmother she learns that her father was arrested by the Austrian police and tortured at the age of ten to extract information on the whereabouts of his father Her grandmother lost her foster daughter and many friends and relatives in Ravensbr ck and only escaped the gas chamber by hiding inside the camp itself The narrator begins to notice the frequent suicides and violent deaths in her home region and she develops an eye for how the Slovenians are treated by the

majority of German speaking Austrians As an adult the narrator becomes politicised and openly criticises the way in which Austria deals with the war and its own Nazi past In the closing section she visits Ravensbrück and finds it strangely lifeless realising that her personal memories of her grandmother are stronger Illuminating an almost forgotten chapter of European history and the European present the book deals with family dynamics scarred by war and torture a dominant grandmother a long suffering mother a violent father who loves his children but is impossible to live with And interwoven with this is compelling reflection on storytelling the narrator hoping to rid herself of the emotional burden of her past and to tell stories on behalf of those who cannot
