Angel Of Midnight:

Kerouac in Ecstasy Thomas R. Bierowski,2014-01-10 This critical text considers Jack Kerouac as writer shaman exploring the content and ecstatic technique of the novels and two experimental volumes that represent critical phases of his development Thomas Bierowski also examines the reception of Kerouac s work arguing that his rise and fall reflect not only the usual changes in literary taste but the precarious position of the shamanic figure in modern America *The American Catalogue* ,1880 Hoping to avoid the worry of caring for a valuable object Miss Teaberry gives away the locket her cat finds in the garden only to find herself enmeshed in a situation of escalating chaos The Beat Book Anne Waldman,2007-07-10 The Beat movement exploded into American culture in the early 1950s with the force of prophecy Not just another literary school it was an artistic and social revolution William S Burroughs proclaimed that the Beat writers were real architects of change There is no doubt that we re living in a freer America as a result of the Beat literary movement which is an important part of the larger picture of cultural and political change in this country during the last forty years when a four letter word couldn t appear on the printed page and minority rights were ridiculous Anne Waldman a renowned poet and longtime friend of many of these writers has gathered in this volume a range of the best and most exemplary writings of the Beat poets and novelists Selections from the Beat classics appear as well as more recent prose and poetry demonstrating the continued vitality of the Beat experiment Included are short biographies of the contributors an extensive bibliography of Beat literature and a unique guide to Beat places around the world from Kerouac s hometown of Lowell Massachusetts where his novel *Dr Sax* takes place to Tangier where Burroughs wrote parts of *Naked Lunch* *Oahspe, a New Bible in the Words of Jehovih and His Angel* John Ballou Newbrough,1891 Angel of Midnight Jo-Ann Power,1995 **A Dictionary of the Drama** W.
