JE Gale

Angel Pavement Phoenix Fiction:

Angel Pavement John Boynton Priestley, 1983 **The Walnut Trees of Altenburg** André Malraux, 1992-03 One of the key texts of Malraux's work its pages must be counted among the most haunting in all of twentieth century literature Victor Brombert The description of the gas attack on the Russian front in 1915 will never be forgotten by anyone who has read it Malraux writes with the precision the certitude and the authority of an obsessed person who knows that he has found the essence of what he has been looking for Conor Cruise O'Brien from the Foreword Malraux's greatest novel *Man's Fate* gave a grim lurid picture of human suffering *The Walnut Trees of Altenburg* written by a life long observer of violent upheaval and within the shadows of World War II gives a calm thoughtful vision of humanistic endeavor that can transcend the absurdity of existence Mature readers will find this a rewarding visit to one of the most accomplished writers of our time Choice

Fiela's Child Dalene Matthee, 2011-12-15 Set in nineteenth century rural Africa Fiela's Child tells the gripping story of Fiela Komoetie and a white three year old child Benjamin whom she finds crying on her doorstep For nine years Fiela raises Benjamin as one of her own children But when census takers discover Benjamin they send him to an illiterate white family of woodcutters who claim him as their son What follows is Benjamin's search for his identity and the fundamental changes affecting the white and black families who claim him Everything a novel can be convincing thought provoking upsetting unforgettable and timeless Grace Ingoldby New Statesman *Fiela's Child* is a parade that broadens and humanizes our understanding of the conflicts still affecting South Africa today Francis Levy New York Times Book Review A powerful creation of time and place with dark threads of destiny and oppression and its roots in the almost Biblical soil of a storyteller's art Christopher Wordsworth The Guardian The characters in the novel live and breathe and the landscape is so brightly painted that the trees birds elephants and rivers of old South Africa are characters themselves A book not to miss Kirkus Reviews **Acts of Theft** Arthur A. Cohen, 1988-01-26 An astonishing soaring and seizing novel that means no less than to explain human culture A detective story with a real detective and a real thief and yet all the while it is the mind that is being plundered of its own frights Cynthia Ozick *Acts of Theft* ranges from the lost world of the Austrian aristocracy to a thick walled hacienda in the jungles of Mexico in the 1950s Cohen has resurrected the special man the one for whom experience is a search an intellectual problem the man who deceives himself grandly and discovers the fact when it may be too late Cohen's writing is as beautiful and complicated as it is possible for writing to be Rarely these days do novelists risk so much so successfully K Deborah Taub Baltimore Sun One of the rare novels that one can begin to reread as soon as the last page is finished By unfolding the drama of an artist obsessed by the authenticity and perfection of his work Arthur A Cohen recalls to us in fact the destiny of all human existence *Acts of Theft* ranks with the best novels of the post war period Mircea Eliade *Acts of Theft* is a very elaborate story of cops and robbers but it aspires to much more and its aspirations are largely fulfilled The parallels that spring to mind are *Crime and Punishment* and *Les Misérables* Joseph McLellan Washington Post A

Father's Words Richard Stern, 1990-01-04 Cy Riemer fifty ish divorced and father of four surveys the dispersal of his family with a mixture of anxiety humor sadness and pride In this wry moving and wise novel Richard Stern offers his masterful portrait of Cy as the quintessential caring yet controlling parent a relentless seeker of self knowledge whose search is intensified through conflicts with his brilliant ne'er do well son Jack The manipulation of a smart sane self justifying narrator is not the least of Stern's achievements in this delicate fabrication of tough prose and tender adjustment of sentiment Geoffrey Wolff Los Angeles Times Richard Stern's novels are robustly intelligent very funny and beguilingly humane He knows as much as anyone writing American prose about family mischief intellectual shenanigans love blunders and about writing American prose Philip Roth A delectable rhetorical display The New Yorker Anyone who has read Richard Stern's previous novels won't need to be told he is an unusually crisp and intelligent writer with a sharp edge to his wit and in *A Father's Words* he runs true to form Many of the book's pleasures are incidental jokes intellectual cadenzas agile turns of phrase The author's powers of farcical invention climax in a brilliant bitter episode where the younger man proclaims his final failure Mr Stern has written an excellent novel John Gross New York Times Richard Stern is American letters' unsung comic writer about serious matters *A Father's Words* produced in this reviewer an apostolic desire to convince a wider audience to try Stern especially the vintage Stern Doris Grumbach Chicago Tribune **A Hero in His Time** Arthur A. Cohen, 1988 All his life Yuri Maximovich Isakovsky a minor Russian poet editor of a journal of folk music sometime English translator has assiduously avoided power and politics in fact attention of any kind How can it be then that the Soviet government has chosen him to attend a conference in the fabled land of bourgeois temptation itself New York City And not only that but to do a piece of work for the KGB to deliver a code message embedded in the text of a certain poem to be read in public along with his own Cohen has achieved here a tour de force bringing the idea of poetry to life in a messy little man no hero at all not even that much of a poet The novel is stately as well as funny an authentically noble account of a celebrant It is the true article Geoffrey Wolff New York Times Book Review Arthur Cohen catches fire *A Hero in His Time* represents for him a great imaginative leap for we are shown the interior mental landscape of a middle aged Russian Jewish minor poet and most astonishing is that we believe without question in this poet Doris Grumbach Village Voice A tremendous achievement To have made this tremendous imaginative leap from the heart of American Jewishness to the heart of Russian Jewishness was a daring thing to do and it has been accomplished with absolute conviction The Sunday Times London A rich compound of high seriousness and robust comedy Newsweek *The Painted Canoe* Anthony Winkler, 1989-02-15 You learn dat dis world don't love negar And negar don't make for dis world Zachariah's mother warned him when he was still a boy Yet poor and abominably ugly the Jamaican fisherman grasps lovingly for life though the worst forces of nature conspire against him Washed far out to sea in the night Zachariah is attacked by a hammerhead shark scorched by the Caribbean sun hurled about by the sea which both frightens and entices him and confused by his own encroaching madness In a rare weave

of humor and sadness Zachariah forces himself to reflect on his life and the strangeness of chance on anything but his place as a small man in a fragile boat in the boundless sea Still on land are the villagers the woman and the sons who comprise life for Zachariah While he struggles with the forces of nature the natural faith of the villagers encounters the incapacity for belief of the troubled English doctor As the superstitions and certainties of Jamaican life and the consequences of science meet Winkler reveals a rich understanding of the precarious balance between thought and reality between the coincidental and the miraculous This is one of those rare novels that announces its presence with such modest grace that the size of its ambition and accomplishments steals gently into the consciousness Michael Thelwell Washington Post Book World Mr Winkler deftly unfurls his exquisitely written story which is redolent of the colorful patois and chaotic flavor of rural Jamaican culture Bob Allen Baltimore Sun **Concluding** Henry Green,1985 Concluding is probably the most lyrical novel by a writer whom Rebecca West has called the most original of his time Within the compass of a summer s day for all time yet intensely and closely centered upon a particular time and place we are made aware of man s predicament in a world of transcendent sadness and beauty Horizon A novel of projections protractions long shots and shadows flying ahead a slow fall The sinister world of Concluding is beautiful side lit and colored like an undersea kingdom from the Foreword by Eudora Welty

Convergence Jack Fuller,1991-02-19 Three powerful minds converge first in Tokyo in 1971 and again in Washington D C seven years later CIA agent Richard Harper his protege Jerry Birch and a Soviet agent are pitted against each other in a battle of intelligence intuition and will **Books in Print Supplement** ,1994 *The Use of Riches* J. I. M. Stewart,1983-05-15 Art is very much part of Rupert Craine s life He is a banker and country squire but also a connoisseur and collector of art His beautiful and wealthy wife Jill is the widow of John Arnander an artist of genius killed in Italy in World War II The Craines live happily on a comfortable country estate with Jill s twelve and eleven year old sons by Arnander and their own two young children As Jill remarks an almost Edwardian order reigns in the household Of course she says none of it may last That afternoon she has received a cable from an old acquaintance an Italian marchesa It seems that Arnander fathered an illegitimate son whom the archesa has been looking after She can no longer do so and wants Jill to come and arrange the boy s future The Crains hasten to Italy Rupert going along to the preliminary interview with the marchesa as he is suspicious that there may not really be an Arnander child that this is a ruse to extract money The truth revealed to him by the marchesa is shattering and the quintessentially civilized Craines find themselves plunged into an increasingly bizarre drama **Angel Pavement** ,1937 **The Book Publishing Annual** ,1984 **The Publishers Weekly** ,1945-03 **The Kenyon Review** John Crowe Ransom,1983 Editor winter 1939 autumn 1941 J C Ransom *Fiction Index* ,1960 *The Georgia Review* ,1983 *Books in Print* ,1977 **The Publishers' Trade List Annual** ,1985 **American Bookseller** ,1982

Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Angel Pavement Phoenix Fiction**

In a global inundated with screens and the cacophony of instant conversation, the profound energy and emotional resonance of verbal art frequently disappear in to obscurity, eclipsed by the constant barrage of sound and distractions. Yet, nestled within the musical pages of **Angel Pavement Phoenix Fiction**, a interesting function of literary beauty that pulses with natural feelings, lies an unforgettable journey waiting to be embarked upon. Composed by a virtuoso wordsmith, that enchanting opus books readers on a mental odyssey, gently exposing the latent potential and profound affect stuck within the intricate web of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is key subjects, dissect their charming writing type, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
