keys to both Heaven and Hell and that angels demons and all the creatures in between will stop at nothing to possess her and control that power Like sand in an hourglass time is slipping away The war started by three powerful angel siblings Raziel Lucifel and Israfel has divided the kingdoms of both Heaven and Hell for ages Now that destruction is spilling over into the human world and only the Archon can stop it She is Angela Mathers a human who sits on the Devil s vacant throne seemingly fulfilling a prophecy of ruin As the Archon Angela alone can oppose Lucifel and open Raziel s Book to use its power for good But to do so would mean murdering her best friend Sophia and that s a sacrifice Angela refuses to contemplate But ruin does not always mean destruction sometimes it means revolution Echoes of the past have resurrected the Angelus the Song of Creation and its notes are somehow linked to the Book Now Angela must discover the truth behind the song and her own origins but time is running out There are dark forces who believe Angela s success will not end tragedy but continue it and they re determined to stop the Archon s destiny once and for all
