Heiser,2018-09-19 What does the Bible really tell us about the heavenly host Everyone knows that angels have wings usually carry harps and that each of us has our own personal guardian angel right We all have some preconceptions about angels from movies television shows and other media but you might be surprised to know that a lot of those notions aren t based on anything from the Bible If you read Luke 1 26 38 and imagine the angel Gabriel standing before Mary with neatly folded white wings you re not getting that picture from anything the Bible itself says What the Bible really says about angels is overlooked or filtered through popular myths This book was written to help change that It s a book about the loyal members of God s heavenly host and while most people associate them with the word angel that s just one of many terms the Bible uses for supernatural beings In *The Unseen Realm* Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in In his latest book *Angels* Dr Heiser reveals what the Bible really says about God s supernatural servants Heiser focuses on loyal holy heavenly beings because the Bible has a lot more to say about them than most people suspect Most people presume all there is to know about angels is what has been passed on in Christian tradition but in reality that tradition is quite incomplete and often inaccurate *Angels* is not guided by traditions stories speculations or myths about angels Heiser s study is grounded in the terms the Bible itself uses to describe members of God s heavenly host he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world The Bible s view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period Jewish writings from around the fifth century BC to the first century AD This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways With that important background established the book focuses on what the New Testament tells us about God

s holy ones Finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today *The Secret Language of Angels* Kathy Mursch,2017-11-01 Angels are God s messengers but sometimes we have difficulty comprehending the messages they bring because we don t understand the languages they use to speak to us We need a Rosetta Stone to decipher them and Kathy Mursch provides us with just that in *The Secret Language of Angels* In this book she describes the five angel languages feeling seeing hearing knowing and dreams and visions and shows us specifically what to look for in the messages that are being delivered to us at all times In addition to explaining each of the languages Kathy provides brief anecdotes of how each has shown up in her personal communications with God She also calls on Biblical evidence where certain figures were visited by angels speaking one of these five languages The purpose of this book is to help readers strengthen or reinvigorate their connection to God by giving them the tools to hear God s messages directly from their own angels

Are they still working in this world? These and similar questions are addressed in this study. God has used angels throughout recorded history, and He still uses them today. Many people, however, do not believe angels exist any more than they believe that heaven and hell are real places or that God and the devil truly exist. Many examples of the work of angels are presented throughout both the Old and New Testaments. In this study, we consider details of those accounts. What is the goal of this study for everyone to fully appreciate the capabilities, characteristics, and functions of this class of higher beings known as angels.

God's Angels: Messengers on a Mission Angela Burrin, 2018-09 When God has a job, who does he call? Angels are God's servants and messengers. In this book, children will read stories of some very important assignments that God gave to his angels. Each one of these missions helped God to carry out his plan of salvation, all so that his sons and daughters could live with him forever. Meet God's team. Among the beautifully illustrated biblical scenes in this book are the angel Gabriel at the Annunciation, the host of angels rejoicing at Jesus' birth, an angel comforting Jesus in Gethsemane, and angels announcing that Jesus has risen from the dead. This delightful book not only helps children learn about angels but also about how much God loves each one of them so much so that he gave them their very own guardian angel.
