Angels On Zebras:

Angels on Zebras Peggy Webb, 1997-12 Keen Malone couldn't believe his ears when Meg O'Neill turned him down for a loan. Determined to make the cool beauty understand that his wildlife center was the mountain's only hope, he persuaded her to tour the site but would she capture his soul in the bargain? Meg couldn't deny the exquisite beauty of the land he swore to protect but how long could she fight the longing to run wild in his arms? Sending her rugged hero on a quest to save a pristine paradise and win the spirited lady who holds the key to its future, RaeAnne Thayne has created a classic romance of two strangers who discover they share the same fierce desire. In a perfect setting for seduction, could Meg refuse to surrender to a handsome rebel with a cause?

The Zebra Murders Prentice Earl Sanders, Ben Cohen, 2011-05-01 On October 20, 1973, in San Francisco, a white couple strolling down Telegraph Hill was set upon and butchered by four young black men. Thus began a reign of terror that lasted six months and left fifteen whites dead and the entire city in a state of panic. The perpetrators wanted nothing less than a race war. With pressure on the San Francisco Police Department mounting, daily young homicide detectives Prentice Earl Sanders and his colleague Rotea Gilford, both African American, were assigned to the cases. The problem was Sanders and Gilford were in the midst of a trail-blazing suit against the SFPD for racial discrimination, which in those days was rampant. The backlash was immediate. The force needed Sanders's and Gilford's knowledge of the black community to help stem the brutal murders, but the SFPD made it known that in a tight situation, no white back-up would be forthcoming. In those impossible conditions, the oppressive white power structure on one hand, the violent black radicals on the other, Sanders and Gilford knew they were sitting ducks. Against all odds, they set out to find those guilty of the Zebra Murders and bring them to justice. This is their incredible story.
