Angels in Disguise Lily, ANGELS IN DISGUISE Are we not all Angels Angels in disguise Is there not an angelic source within us all Do we not draw to another with the same angelic quality In need are we not given someone as an Angel to help us through We see children as little Angels but there is an Angel deep within us all lost as the child grows into adulthood lost into the depths of our own lost childhood It is all a matter of perception how one perceives an angel It depends on our upbringing the people we meet the situations we experience in life Friends are a blessing like angels who shine in our days accepting not expecting As there are positive negative people with positive negative reactions so there is in the spiritual world There is more out there than we can see with the human eye Keep a positive outlook accepting not expecting Take people as they are not as you would perceived them to be Being true to yourself allow others to be themselves Walk through life being positive to bring out the angels within us all [Angels in Disguise](#) Raymond Soto,2008-08-08 **Angels in**
