Face To Face With The Unknown Sherry Hansen Steiger, 2001-04-15 The line that divides fiction from fact is not always as clear as it may seem Two plus two equals four right But what if just once two plus two equaled five Hard to believe Absolutely But for the young people whose stories are related here that is exactly what happened Each of them experiences something that simply could not be explained For instance two boys forced to spend the night in their car during a bad storm learn the next morning that an eyewitness swears he saw four burly men inside their care scare off a gang But who were the men The boys were alone that night Another time a teen on the way home from a date comes upon strange alien forms in the road ahead He chases after them only to discover humanoid imprints in the grass Not even the local sheriff can explain it Mysterious sightings alien encounters guardian angles ghostly hauntings bizarre visitations In dozens of stories teens relate real life experiences with the unknown *Real Encounters, Different Dimensions and Otherworldly Beings* Brad Steiger, Sherry Hansen Steiger, 2013-10-01 Experts on the unexplained and paranormal research Brad and Sherry Steiger turn their unique and remarkable talents to the bold storytelling of encounters with the unknown from throughout the ages From mysterious strangers and unpredictable beings to weird behavior and paranormal phenomena they investigate claims of visits from ghastly ghosts otherworldly creatures aliens living among us phantoms spirits and other accounts of encounters with the unexplained Over 130 astounding accounts of Real Encounters Different Dimensions and Otherworldly Beings with the supernatural such as Visitors from other worlds who have had Earth under surveillance for centuries conducting their activities in secret even abducting humans for their own research and undeclared ends Members of secret societies who developed advanced technology centuries ago which has been kept hidden in underground or undersea cities Time Travelers from the Future Beings who claim to be our descendants from the future who are returning to study the true destiny of humankind Ghosts that haunt people places and things and poltergeists that create havoc Beasties and monsters found in everyone s worst nightmares and sometimes in their campsites fields and yards Other Dimensional Visitors Beings Creatures or Entities that come not from a faraway world in our solar system or any other but from an adjacent space time continuum existing on another vibrational dimensional frequency or level Previously unknown unidentified terrestrial life forms such beings as sky critters sky fish rods and orbs As yet unknown physical energies that may be activated by the psyche the unconscious level of the humanmind Archetypal creatures and entities of the collective unconscious that are the result of energies that are accessible through dreams meditations and other states of altered consciousness Interactions with beings that have been dubbed elves fairies devas throughout the centuries The marvelous creative facet of dreams Out of body mind traveling through Time and Space Majestic beings who are described in the scriptures of many world religions as angels or demons *Angels* George J. Angel to Watch Over Me Joan Wester Anderson,1996 INSPIRATIONAL AND HEARTWARMING Anyone who was ever once a child will enjoy it and so will those who are still children or children at heart *AngelWatch* Perhaps because children have not yet learned to disbelieve what their eyes ears and hearts tell them they have a special closeness with angels After the publication of Joan Wester Anderson s New York Times bestseller *Where Angels Walk* people urged her to write a book entirely about children s experiences with angels and sent along their own personal narratives as witness to these miraculous visitations *An Angel to Watch Over Me* is the result a wonderful collection of stories that documents and describes extraordinary encounters between children and celestial visions There s the grandmotherly angel who consoles an ailing girl in a hospital emergency room and the angel who helps a Texas boy lose his fear of thunderstorms There are angels who combat darkness bring glad tidings and offer comfort *Angel prayers*
