The Anger Workbook for Christian Parents Les Carter, Frank Minirth, 2004-03-22 In this practical book anger experts Drs Les Carter and Frank Minirth coauthors of the bestselling *The Anger Workbook* show families how the blame game parents blame the kids and kids blame the parents doesn't work. Instead they provide insight for dealing with the root causes of anger. In a perfect blend of biblical wisdom and psychological research they show readers how to understand what can be right about anger, distinguish between healthy and unhealthy anger, recognize how anger can be managed more successfully by controlling desires and insecurities and addressing other underlying issues, and much more. Filled with real life examples, checklists, evaluation tools, and study questions, this valuable resource for any parent with a preteen or teenager will help parents understand and manage their children's anger as well as their own and show how to create harmony at home. *The Anger Workbook* Les Carter, Frank Minirth, 2012-10-29 A field guide to understanding and managing anger: what it is, where it comes from, and how to get it under control. Many people assume that anger is the emotion that leads to raised voices and violence, and this kind of explosive rage is certainly a reality. But there are many different types of anger, from the simmering to the shutting down. Most of us experience some form of anger or its effects. The good news is that anger can be controlled. Founded on thirteen faith-based steps designed to recognize and manage anger, *The Anger Workbook* is an interactive guide to transforming patterns and behaviors with the help of biblical principles and evidence-based treatment. Best-selling author and practicing counselor Les Carter, Ph.D., and author and Christian psychiatrist Frank Minirth, M.D., draw on their years of experience and expertise to demystify the problem of anger. Throughout this workbook you will learn how to identify situational anger in yourself or others, as well as patterns of relating, thinking, and behaving that may lead to feelings of anger. How emotions like fear, loneliness, and inferiority create anger. How to uncover and eliminate myths that perpetuate anger, such as "Letting go of my anger means I am conceding defeat" or "No one understands my unique problems." For parents, how to manage a child's anger. As we get to know and understand anger, whether it's our own or a loved one's, its management becomes far less daunting. Anger can be controlled. *Parenting with Patience* Chap Bettis, 2019-10-19 Anger is a common issue for parents with children of all ages. Often there is a repeating cycle of exploding and shame with no real resolution. This five-week video-driven Bible study will give practical and biblical answers to this common problem from a Christian perspective. You can become a patient parent. **Workbook for the Heart of Anger** Lou Priolo, 2007-08-22 How this workbook will help you. This is the companion workbook to one of the most important Christian books ever published, *The Heart of Anger*. The book itself started an evolution in the realm of Christian counseling. A long-awaited workbook acts as a resource to get you to think through these issues in conjunction with the book. A. If you've never read the book, order a copy now. A.
