Anglican Spirituality:

Anglican Spirituality Greg Peters, 2024-11-07 Anglican Spirituality lays out a concise vision for how Anglican Christians can become faithful disciples of Jesus Christ Emphasizing the importance of the threefold rule of Daily Office Holy Eucharist and private devotion the book shows how Anglican spirituality is rooted in the Book of Common Prayer and the Holy Scriptures In the Daily Office the word of God is read and internalized through the illuminative work of the Holy Spirit as Christ the Teacher enlightens the minds of the ones praying so that the praying of the Scriptures is not for information but formation In the Holy Eucharist the communicant receives the grace necessary to live a spiritual life pleasing to God allowing God to turn the key to their inner selves transforming them from the inside out By personal devotion the disciple adopts those spiritual practices that make prayer effective and prepares for receiving the Holy Eucharist In this way disciples habituate themselves to the work of God Last this book demonstrates that Anglican spirituality is not an isolated or individualistic endeavor and that the prayer book's vision for spirituality empowers the church's mission *The Westminster Dictionary of Christian Spirituality* Gordon S. Receptive Ecumenism and the Call to Catholic Learning Paul Murray, 2010-05-06 This volume proposes a fresh strategy for ecumenical engagement Receptive Ecumenism that is fitted to the challenges of the contemporary context and has already been internationally recognised as making a distinctive and important new contribution to ecumenical thought and practice Beyond this the volume tests and illustrates this proposal by examining what Roman Catholicism in particular might fruitfully learn from its ecumenical others Challenging the tendency for ecumenical studies to ask whether explicitly or implicitly What do our others need to learn from us this volume presents a radical challenge to see ecumenism move forward into action by highlighting the opposite question What can we learn with integrity from our others This approach is not simply ecumenism as shared mission or ecumenism as problem solving and incremental agreement but ecumenism as a vital long term programme of individual communal and structural conversion driven like the Gospel that inspires it by the promise of conversion into greater life and flourishing The aim is for the Christian traditions to become more not less than they currently are by learning from or receiving of each other's gifts The 32 original essays that have been written for this unique volume explore these issues from a wide variety of denominational and disciplinary perspectives drawing together ecclesial ecumenists sociologists psychologists and organizational experts

The Poetic Imagination Louis William Countryman, 1999 An absorbing study of two of the most distinctive expressions of Anglo

Saxon civilisation literature and Anglican spirituality **Drenched in Grace** Lizette Larson-Miller, Walter Knowles, 2013-06-26 The importance of baptism within Christian history theology and practice is of the first order Rooted in Christian Scripture baptism is initiation into Jesus Christ and the sacramental beginning of engagement with the church the body of Christ In recent decades the relationship between baptismal theology and ecclesiology has changed Rather than focusing solely on the implications of baptism for individuals the center of theological conversation has moved increasingly to the nature of baptism as formative of the church One of the pioneers in exploring this theological issue in the United States has been the Rev Dr Louis Weil who from the time he helped author the 1979 Book of Common Prayer has advocated for an approach called baptismal ecclesiology In a number of essays since the 1980s Dr Weil has encouraged an increasingly ecumenical conversation around this particular approach to ecclesiology This ecumenical collection of essays by a distinguished and international group of sixteen scholars continues the conversation on liturgy and ecclesiology begun by Fr Weil **Global Spirituality** Felix M. Podimattam, 2005 **Anglican Spirituality** William J. Wolf, 1982 *English Spirituality* Martin Thornton, 2012-05-01 Endorsements The republication of this definitive text is long overdue and a must for all those who are concerned for the maintenance of a sound optimistic spirituality Alan Jones Skillfully uses Bible and history to good advantage in this long look at English Spirituality s roots The Christian Century I know of no other book that rivals Thornton s work as a clear and well written compilation of so much valuable material Review of Books Religion Will provide both Protestant and Catholic readers with an exceptionally readable and thorough treatment of a shared tradition Spiritual Life Author Biography Martin Thornton was one of the leading lights in Anglican theology and spirituality Of his numerous books English Spirituality and Spiritual Direction have helped shape the course of ascetical theology Before his death in June 1986 Thornton served for ten years as Chancellor of Truro Cathedral A Joyful Heart was his last book Christian Spirituality John Meyendorff, 1989 A multivolume series with more than 500 contributing scholars worldwide presenting the spiritual wisdom of the human race in its historical unfolding from prehistoric times through the great religions to the meeting of traditions at the present *History of Christian Spirituality*, 1969 Spiritual Counsel in the Anglican Tradition David Hein, Charles R. Henery, 2010-04-06 As the world grows increasingly complex human beings need more not less good counsel for Christian living This book reaches into the treasury of Anglican spirituality and draws out pearls of wisdom for today s needs The Anglican tradition has shown an abiding concern for a holy living that leads to a holy dying Spiritual Counsel in the Anglican Tradition offers earnest practical devotion to inspire and to instruct the Christian pilgrim in the path of discipleship Here readers will find not a general collection of spiritual writings but direct words of spiritual counsel on such crucial subjects as discipleship vocation scripture sacraments vice and virtue money patience forgiveness perseverance marriage and family friendship and the natural world Readers will also encounter many passages selected for both authoritative content and surpassing beauty Represented in these pages are fifty Anglican authors including Lancelot

Andrewes John Donne Austin Farrer C S Lewis Samuel Johnson William Law Hannah More J B Phillips Michael Ramsey Frederick W Robertson Dorothy L Sayers Robert South Geoffrey A Studdert Kennedy Jeremy Taylor William Temple Evelyn Underhill and Olive Wyon This book takes seriously the Anglican emphasis on a form of religion that quickens the mind forms the conscience guides the will and lifts the spirit *Christian Life and Practice* Owen C. Thomas, 2009-01-01 This book is a study of the Christian life and the practice of Christians and the church from an Anglican perspective It begins with an analysis and explication of the structure and process of the Christian life before God in the church and the world involving a five fold rule of life and the relation of this to spiritual direction This is followed by an analysis and critique of the current spirituality movement which arose in the 1970s and which has come to dominate and mislead the churches A sequel to the latter explains the origin of the spirituality movement in the current Romantic movement that arose in the 1960s and has influenced all aspects of our culture with ambiguous results Next there is a critique of contemporary parish ministry as practiced in residential parishes that at best ministers only to the private lives of its members followed by a fictional story of such a residential parish that suggests a new departure in parish ministry Then there is a critique of preaching in the Episcopal Church that is generally considered to be poor and a proposal of a way to overcome this The concluding three chapters treat a fundamental problem in our approach to private prayer and a way to resolve this a proposal for a way to overcome the current impasse in the Anglican Communion concerning homosexuality and a meditation on the responsibility of Christians in public life ,
