*The Anglo-Catholic Revival*, 1925     *Anglo-Catholic in Religion* Barry Spurr, 2010-02-25 A major and ground breaking analysis of the role played by Anglo Catholicism in the life and work of the poet T S Eliot     **Edward Bouverie Pusey and the Oxford Movement** Rowan Strong, Carol Engelhardt Herringer, 2012 The Oxford Movement initiating what is commonly called the Catholic Revival of the Church of England and of global Anglicanism more generally has been a perennial subject of study by historians since its beginning in the 1830s But the leader of the movement whose name was most associated with it during the nineteenth century Edward Bouverie Pusey has long been neglected by historical studies of the Anglican Catholic Revival This collection of essays seeks to redress the negative and marginalizing historiography of Pusey and to increase current understanding of both Pusey and his culture The essays take Pusey s contributions to the Oxford Movement and its theological thinking seriously most significantly they endeavour to understand Pusey on his own terms rather than by comparison with Newman or Keble The volume reveals Pusey as a serious theologian who had a significant impact on the Victorian period both within the Oxford Movement and in wider areas of church politics and theology This reassessment is important not merely to rehabilitate Pusey s reputation but also to help our current understanding of the Oxford Movement Anglicanism and British Christianity in the nineteenth century     **Worship and Theology in England, Volume IV** Horton Davies, 2015-12-08 In a rich survey encompassing music art literature and architecture Professor Davies studies the revolution in religious thought and worship in England during the Victorian era One main trend the return to conservatism is revealed in the renascence of Roman Catholic worship the Oxford Movement and the search for traditional architecture and liturgy This impetus was balanced by the drive toward innovation through the Social Gospel the Church s confrontation with science and the new forms of worship sought by the Baptists Congregationalists and others This is the fourth in a five volume series Originally published in 1962 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905     *The Bookseller and the Stationery Trades' Journal*, 1925     *The Bookman*, 1925     *The Reader's Index & Guide* Croyden Public Libraries, 1930     **The Speaker**, 1899
