

Christianization of Anglo-Saxon Ancient England

Anglosaxon Pagan And Christian Poetry

Richard North

Anglosaxon Pagan And Christian Poetry:

Beowulf and Christianity Mary A. Parker,1987 This book explores the reasons for Christian stories and ideas in Beowulf the Anglo Saxon epic poem that also describes pagan religious and burial practices By examining historical archaeological and linguistic sources Mary Parker evaluates the possibilities for Christian understanding on the part of the audience and Christian teaching on the part of the poet These inquiries lead to an informed review of the critical literature on the Christianity in Beowulf Finally the author looks at individual speakers in the poem and words they use that reveal Christian meaning This multi disciplinary summary and review concludes that the Christianity in Beowulf is a reflection of the society that produced it a heroic society in transition toward the new Christian value system Heathen Gods in Old English Literature Richard North,1997-12-11 Heathen gods are hard to find in Old English literature Most Anglo Saxon writers had no interest in them and scholars today prefer to concentrate on the Christian civilization for which the Anglo Saxons were so famous Richard North offers an interesting view of Anglo Saxon and Scandinavian paganism and mythology in the pre Viking and Viking age He discusses the pre Christian gods of Bede s history of the Anglo Saxon conversion with reference to an orgiastic figure known as Ingui whom Bede called god of this age Using expert knowledge of comparative literary material from Old Norse Icelandic and other Old Germanic languages North reconstructs the slender Old English evidence in a highly imaginative treatment of poems such as Deor and The Dream of the Rood Other gods such as Woden are considered with reference to Odin and his family in Old Norse Icelandic mythology In conclusion it is argued that the cult of Ingui was defeated only when the ideology of the god Woden was sponsored by the Anglo Saxon church The book will interest students interested in Old English Old Norse Icelandic and Germanic literatures Anglo Saxon history and archaeology Pagan, Christian and Classical Elements in Anglo-Saxon Poetry Lynette Olson,1968 **Appeals to the Senses in Pagan Anglo-Saxon Poetry**,1912 **The Making of English Literature** William Henry Crawshaw,1907 *Beowulf - A Pagan Hero* Julie Boyden,2014-03-01 Beowulf A Pagan Hero takes the poem back to its pre Christian roots revealing a warrior society that valued duty honor bravery and swift vengeance Removing the Christian insertions shows us what is expected of heroes of men who do not shrink before the hard decisions of life or death and a society that valued fame above all other rewards Remaining true to the Anglo Saxon language without hewing too closely to the rhythm of the ancient poetry shows us the power and beauty of that language that has been called more masonry than poetry a burly language full of swift and beautiful metaphors and descriptions of ordinary life made ethereal In preparing her translation Ms Boyden studied some 50 versions of Beowulf for accuracy of meaning tone and temperament In A Note on Pronunciation she explains how Old English Anglo Saxon names are read and the Principal Characters are introduced so that we can trace their relationships of trust and obligation and the power of their personalities The Introduction provides a quick look at Anglo Saxon society the people s values beliefs customs and activities placing Beowulf in a cultural context to round out the reading experience **The**

Sacred Tree Carole M. Cusack, 2011-05-25 The fundamental nature of the tree as a symbol for many communities reflects the historical reality that human beings have always interacted with and depended upon trees for their survival. Trees provided one of the earliest forms of shelter along with caves and the bounty of trees, nuts, fruits, and berries gave sustenance to gatherer-hunter populations. This study has concentrated on the tree as sacred and significant for a particular group of societies living in the ancient and medieval eras in the geographical confines of Europe and sharing a common Indo-European inheritance, but sacred trees are found throughout the world in vastly different cultures and historical periods. Sacred trees feature in the religious frameworks of the Ghanaian Akan, Arctic Altaic shamanic communities, and in China and Japan. The power of the sacred tree as a symbol is derived from the fact that trees function as homologues of both human beings and of the cosmos. This study concentrates on the tree as axis mundi, hub or centre of the world, and the tree as imago mundi, picture of the world. The Greeks and Romans in the ancient world and the Irish, Anglo-Saxons, continental Germans, and Scandinavians in the medieval world all understood the power of the tree and its derivative, the pillar, as markers of the centre. Sacred trees and pillars dotted their landscapes, and the territory around them derived its meaning from their presence. Unfamiliar or even hostile lands could be tamed and made meaningful by the erection of a monument that replicated the sacred centre. Such monuments also linked with boundaries and, by extension, with law and order, custom and tradition. The sacred tree and pillar as centre symbolized the stability of the cosmos and of society. When the Pagan peoples of Europe adopted Christianity, the sacred trees and pillars, visible signs of the presence of the gods in the landscape, were popular targets for axe-wielding saints and missionaries who desired to force the conversion of the landscape as well as the people. Yet Christianity had its own tree monument, the cross, on which Jesus Christ was crucified and which came to signify resurrected life and the conquest of eternal death for the devout. As European Pagans were converted to Christianity, their tree and pillar monuments were changed into Christian forms. The great standing crosses of Anglo-Saxon northern England played many of the same roles as Pagan sacred trees and pillars. Irish and Anglo-Saxon Christians often combined the image of the Tree of Life from the Garden of Eden with Christ on the cross to produce a Christian version of the tree as imago mundi.

Anglo-Saxon Verse Graham Holderness, 2000 An introduction to Anglo-Saxon poetry which combines powerful new translations with lucid commentary, bringing these Old English texts within the compass of the modern reader. Almost everything of interest in Anglo-Saxon history is recorded in the poetry of the period; the historical and political, moral and ethical, theological and ecclesiastical, military and constitutional motives and preoccupations of that past culture are there to be read at the level of individual perception and personal experience. In this study, Graham Holderness brings these Old English texts and the culture they embody within the reach of the general reader by providing powerful new translations of heroic, elegiac, religious, and love verses, translations which span the corpus from *Beowulf* to *The Wife's Lament* and bridge the gap between the unfamiliar language of their original composition and the modern English in which they are subsequently

discussed and lucidly explained As a general introduction to the subject this book opens up the language literature and life of Anglo Saxon England to the non specialist ending with a line by line sample translation and detailed annotation as an impetus to further study

The Construction of Christian Poetry in Old English John Gardner,1975 Focusing on the works of Cynewulf the Caedmonic school and the great Beowulf poet John Gardner traces the development of Anglo Saxon Christian poetic style This latest contribution to a distinguished new series is a scholar novelist poet s analysis of allegorical modes in a few major poems from England s great age of allegory the seventh century to roughly the eleventh What John Gardner is out to understand and describe is not so much the meaning of particular poems though his study inevitably deals to some extent with meaning and offers critical interpretations but how the various kinds of Anglo Saxon allegory work what happens when several completely different kinds of allegory are brought together in one poem as in Beowulf and what it is that makes the different kinds of allegory not just intellectually but emotionally effective Gardner asks the right questions from both the scholar s and the novelist s points of view which turn out to be important for an understanding of the whole Anglo Saxon poetic tradition

English Literature, Theology and the Curriculum Liam Francis Gearon,1999-01-10 The Theology in Dialogue Series explores the relationship between theology and different secular academic disciplines which appear within the degree programs of colleges and universities Each volume begins with a chapter and a reply providing a thoughtful justification for the interaction of theology and the particular subject This is followed by a theoretical analysis of this interaction and a range of case studies illustrating the situation in the classroom English Literature Theology and the Curriculum explores the nature and authority of religious writings and their influence on secular literature What makes it distinctive is the manner in which it investigates the textual dynamic between the two disciplines by combining both theory and case study in a single collection of writings It discusses interdisciplinary dialogue offers case studies on literature and theology from Anglo Saxon verse to the twentieth century novel and looks at curriculum considerations The eminence and breadth of the contributors is outstanding Praise for English Literature Theology and the Curriculum A superbly rich collection as valuable to those involved in literary studies as to theologians It breathes life and real engagement Times Educational Supplement Fascinating and scholarly collection This is an excellent book Though some of the chapters are better than others none is a dud Its contributors and editor are to be congratulated Journal of Beliefs and Values These substantial essays deserve more extensive comment than a brief review permits Liam Gearon s chapter prompted this reviewer to embark on a reading of Brian Moore s work a rewarding undertaking for which his chapter proved an invaluable guide International Journal of Children s Spirituality Perhaps what is most noteworthy about Liam Gearon s edited volume is that it combines theory with practical applications and concludes with reflections on the implications for teaching ample food for thought for instructors designing courses in literature theology or interdisciplinary subjects Teaching Theology

The Cultural World in Beowulf John M. Hill,1995-12-15 Beowulf is one of the most important poems in Old English and the first

major poem in European vernacular language It dramatizes behavior in a complex social world a martial aristocratic world that we often distort by imposing on it our own biases and values In this cross disciplinary study John Hill looks at Beowulf from a comparative ethnological point of view He provides a thorough examination of the socio cultural dimensions of the text and compares the social milieu of Beowulf to that of similarly organized cultures Through examination of historical analogs in northern Europe and France as well as past and present societies on the Pacific rim in Southeast Asia a complex and extended society is uncovered and an astonishingly different Beowulf is illuminated The study is divided into five major essays on ethnology and social drama the temporal world the legal world the economy of honour and the psychological world Hill presents a realm where genealogies incorporate social and political statements in this world gift giving has subtle and manipulative dimensions both violent and peaceful exchange form a political economy acts of revenge can be baleful or have jural force and kinship is as much a constructible fact as a natural one Family and kinship relations revenge themes heroic poetry myth legality and political discussions all bring the importance of the social institutions in Beowulf to the foreground allowing for a fuller understanding of the poems and its implications for Anglo Saxon society

A History of English Poetry: Table of contemporary poets in England, France, and Italy William John Courthope,1895 *The New Cambridge Bibliography of English Literature: Volume 1, 600-1660* George Watson,Ian Roy Willison,1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

The Classical Heritage of the Middle Ages Henry Osborn Taylor,1901 **The Classical Heritage of the Middle Ages** Henry Osborn Taylor (historien.),1911 **A Short History of English Literature** Sir Archibald Strong,1921 **The New Century Book of Facts** Carroll Davidson Wright,1910 **Johnson's New Universal Cyclopædia: A-E** ,1878 *Johnson's New Universal Cyclopaedia: A-E* Frederick Augustus Porter Barnard,1877

The Top Books of the Year Anglosaxon Pagan And Christian Poetry The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Anglosaxon Pagan And Christian Poetry : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
