Angry Tide:

The Angry Tide Winston Graham,2011-08-19 The basis of the fourth season of the television phenomenon starring Aidan Turner The Angry Tide is the seventh novel in Winston Graham s hugely popular Poldark series Cornwall towards the end of the 18th century Ross Poldark sits for the borough of Truro as Member of Parliament his time divided between London and Cornwall his heart divided about his wife Demelza His old feud with George Warleggan still flares as does the illicit love between Morwenna and Drake Demelza s brother Before the new century dawns George and Ross will be drawn together by a loss greater than their rivalry and Morwenna and Drake by a tragedy that brings them hope The Angry Tide is followed by the eighth book in the Poldark series The Stranger From The Sea **The Angry Tide** Winston Graham,1984 Metaphors of ANGER across Languages: Universality and Variation Zoltan Kövecses,Réka Benczes,Veronika Szelid,2024-11-04 Anger is one of the basic emotions of human emotional experience informing and guiding many of our choices and actions Although it has received considerable scholarly attention in a number of disciplines including linguistics a basic question has still remained unresolved why do variations in the folk model of anger exist across languages if it is indeed a basic emotion rooted in largely universal bodily experience By drawing on a wide selection of comparable linguistic data from dozens of languages including a number of less researched languages this volume provides the most comprehensive account of what is universal and what is variable in the folk model of anger and why It also investigates the role that metonymies might play in the emergence of anger related metaphors and in what ways context influences or shapes anger metaphors and thereby the resulting folk model of anger No such volume exists in the cognitive linguistic literature on anger or on emotions for that matter The book is thus an essential contribution to the study of anger and will serve as basic reading for any researcher interested in how the conceptualization of anger is constructed via the interplay of bodily experience language and the larger cultural context *The Angry Tide* WINSTON.
