

ANIMA CHRISTI

SOUL OF CHRIST, sanctify me;
BODY OF CHRIST, save me;
BLOOD OF CHRIST, inebriate me;
WATER FROM THE SIDE OF
CHRIST, wash me;

PASSION OF CHRIST, strengthen me;
O GOOD JESUS, hear me;

within YOUR WOUNDS, hide me; let me
never be separated from YOU from the evil one;
protect me; at the house of death, call me;
and bid me to come to YOU; that with YOUR
Saints, I may praise YOU forever and ever.

Amen.

The Spiritual Exercises of Saint Ignatius St. Ignatius of Loyola,1999-12 Is it time to take your spiritual pulse re orient yourself to your Creator and seek His guidance to live your faith more seriously The Spiritual Exercises of St Ignatius of Loyola outline the rigorous self examination and spiritual meditations St Ignatius set forth Readers will learn how to make a new beginning on the path to holiness repenting of their sins and attaining freedom from Satan s power Though St Ignatius wrote The Spiritual Exercises as a handbook for a four week guided retreat this edition contains step by step explanations suitable for independent use over any time period Anima Christi Joseph Smith Fletcher,2009-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Handbook of Catholic Dogmatics 5.1* Matthias Joseph Scheeben,2020-04-27 In Handbook of Catholic Dogmatics Book V Soteriology Part 1 Matthias Joseph Scheeben delineates who and what Jesus Christ is as the Incarnate Son of God in Person With characteristic brilliance Scheeben sets forth in this first half volume the essential nature and attributes proper to Christ as the hypostatic union of God and man Beginning with the Scriptural and traditional foundations he elucidates the Catholic Church s traditional teaching on Christ s unity of Person in two natures as they were developed in response to the main Christological heresies of the early Christian centuries On this basis he then delves into the speculative depths of the hypostatic union itself as well as the attributes of the God man that arise from this union T he translation of the Handbook of Catholic Dogmatics by the greatest speculative theologian of the nineteenth century into the modern lingua franca is an invaluable service to the future of the Church in the secular age With his speculative penetration of the mystery of the Incarnation in the present volume enriched by a comprehensive knowledge of patristic scholastic and modern theology Matthias Joseph Scheeben preserves the mystery of Divine Revelation from attempts to naturalize it and the Church from the tendency to reduce it to a merely functional civil religion He proves that even on the highest level of rational reflection the believer can give to modern man an account for the hope that is in him cf 1 Pet 3 15 which puts us in a position to clarify definitively our understanding of ourselves and of the world in light of the knowledge of God Cardinal Gerhard M ller Prefect Emeritus of the Congregation for the Doctrine of the Faith **Soul of Christ** Marie Paul Curley,2014-11-01 **Soul of Christ** Marie Paul Curley Fsp,Marie Paul Curley,2014 The Anima Christi or Soul of Christ has been prayed by Christians since the fourteenth century Sister Marie Paul Curley FSP delves into its richness as she reflects on the prayer the

The Christian Doctrine of Prayer Arthur Crawshay Alliston Hall,1904 Practical Thoughts and Suggestions for Sisters of Charity ... Compiled from Various Sources ,1871 *Manual of prayers for youth* John Morris,1893

Anima Christi Jesse Brett,1904 **Epworth Review** ,1995 **The Holy Hour in Gethsemane** Francis Donnelly,Brother Hermenegild,2014-11-21 In the present work containing thoughts and prayers for the same devotion the Passion is kept prominent throughout The Holy Hour began with being a commemoration of Christ s Agony in the Garden and then as the devotion was always practised before the Blessed Sacrament thoughts and practices became Eucharistic Finally the League of the Sacred Heart adopted and spread the devotion and in this way thoughts and prayers concerning our Lord s Sacred Heart became prominent in it All three ways of practising the devotion have been indulged by the Church as will be seen in the short sketch given hereafter In reality what the devotion aims at is to stir up within the faithful compassion with Christ hatred of sin a spirit of reparation and kindred feelings and resolves The devout faithful will reach this holy end by any of the ways just mentioned or even by others The suffering of Jesus in the Passion His wonderful life in the Tabernacle His ardent love which is symbolized and adored in His Sacred Heart will no doubt all prove to be teeming sources of ardent repentance and sympathetic reparation The present book it is hoped may help to spread further this consoling devotion which appeals so touchingly to the faithful in these days when the Sacrament of the Altar is coming to occupy so prominent a place in Catholic life To facilitate remembrance in meditations and to encourage directors to speak rather than to read the thoughts the divisions in the meditations and the headings have been made far more numerous than usual Prayers are given

in litany form and litanies and other prayers are added in an appendix to encourage the faithful to take an active part in the devotion a feature to be warmly encouraged and extended The Anima Christi was chosen as a text by request and it lent itself to the purpose so admirably that it is not strange so wonderful a prayer should have been found on the lips of Catholics warming their hearts and uplifting their souls in earnest devotion for six centuries or more
