## **Animal Gospel:**

**Animal Gospel** Andrew Linzey,2000-01-01 Our treatment of animals is a gospel issue Andrew Linzey contends because those individuals and institutions that could have become the voice of God's most vulnerable creatures have instead justified cruelty and oppression He offers an inspiring personal account of the gospel truths that have sustained his commitment to the cause of animals for more than twenty five years

**Animal Theologians** Andrew Linzey,Clair Linzey,2023 Many people who have thought about God have not thought about animals or about the relationship between the two But among those who have are some of the most celebrated religious thinkers including Michel de Montaigne Thomas Tryon John Wesley John Ruskin Leo Tolstoy Mohandas K Gandhi Albert Schweitzer and Paul Tillich This volume comprises 24 scholarly studies that detail challenges to the dominant anthropocentrism of most religious traditions The editors have brought together Jewish Unitarian Christian transcendentalist Muslim Hindu Dissenting deist and Quaker voices each offering a unique theological perspective that counters the neglect of the nonhuman Animal Theologians is divided into three parts starting with the pioneers who first saw a relationship between animals and divinity those who contributed to the expansion of social sensibility to animals and ending with the work of contemporary theologians The essays in this volume use contextual and historical background to describe what led animal theologians to their beliefs and then pave way for further developments in this expanding field This volume is an act of reclaiming different religious traditions for animals by recovering lost voices

*The Animal Gospels* Brian Barker,2006 Fearless and profound these poems detonate across the landscape of the South at the end of the twentieth century The author uses animals as mythic totems and contemplative signposts compelling the reader to relive visceral memories of the enveloping poverty and racial brutality of the American South The poet's steadfast faith in story and song illuminates and propels this astonishing lyrical narrative Brian Barker has an Academy of American Poets prize and two Krakow Poetry Seminar fellowships Currently he is assistant director of the Center for Literary Arts at the University of Missouri and managing editor of the journal Center His works have appeared in Poetry Indiana Review Sou wester Pleiades and others He lives in Columbia Missouri

*Christian Theology and the Status of Animals* R.

McLaughlin,2014-02-13 The author argues that there are conflicting traditions with regard to the question of what is the moral standing of animals according to Christianity The dominant tradition maintains that animals are primarily resources but there are alternative strands of Christian thought that challenge this view

**In Search of Consistency: Ethics and Animals** Lisa Kemmerer,2006-08-01 In Search of Consistency is the most comprehensive examination to date of moral theories and animal ethics This large volume unveils and explores the work of Tom Regan rights theory Peter Singer utilitarian Paul Taylor environmental ethics and Andrew Linzey theology not only digging deep into critical analysis of extant theories but feeding the flames of a now flourishing dialogue at the intersections of animal ethics environmental ethics and religious ethics This book ultimately presents a new

approach the Minimize Harm Maxim which exposes through real and hypothetical scenarios common practices as patently irrational and raises questions few authors are willing to entertain about the way we value life and our attitudes toward death At every turn In Search of Consistency reminds that ethics carry an expectation of action that ethics are intended to guide how we live The Gospel of Kindness Janet M. Davis,2016-04-01 When we consider modern American animal advocacy we often think of veganism no kill shelters Internet campaigns against trophy hunting or celebrities declaring that they would rather go naked than wear fur Contemporary critics readily dismiss animal protectionism as a modern secular movement that privileges animals over people Yet the movement s roots are deeply tied to the nation s history of religious revivalism and social reform In The Gospel of Kindness Janet M Davis explores the broad cultural and social influence of the American animal welfare movement at home and overseas from the Second Great Awakening to the Second World War Dedicated primarily to laboring animals at its inception in an animal powered world the movement eventually included virtually all areas of human and animal interaction Embracing animals as brethren through biblical concepts of stewardship a diverse coalition of temperance groups teachers Protestant missionaries religious leaders civil rights activists policy makers and anti imperialists forged an expansive transnational gospel of kindness which defined animal mercy as a signature American value Their interpretation of this gospel extended beyond the New Testament to preach kindness as a secular and spiritual truth As a cultural product of antebellum revivalism reform and the rights revolution of the Civil War era animal kindness became a barometer of free moral agency higher civilization and assimilation Yet given the cultural economic racial and ethnic diversity of the United States its empire and other countries of contact standards of kindness and cruelty were culturally contingent and potentially controversial Diverse constituents defended specific animal practices such as cockfighting bullfighting songbird consumption and kosher slaughter as inviolate cultural traditions that reinforced their right to self determination Ultimately American animal advocacy became a powerful humanitarian ideal a touchstone of inclusion and national belonging at home and abroad that endures to this day **The Gospel According to St. Mark** Alfred Plummer,1915 The Gospel According to Sam William Miller,2005-09-05 The Gospel According to Sam is a collection of thirty animal stories for the soul written by William Miller a priest who s considered to be one of the best preachers in the Episcopal Church The Sam in the title is Miller s Airedale a lovable wounded healer of a dog who survived a house fire that burned off his ears but couldn t extinguish his spirit Sam becomes a vehicle for healing humor adventure spiritual growth and prayer for Miller and his parishioners Sam isn t a typical warm fuzzy feel good animal stories book however Miller writes with an earthy sense of humor and a Southern voice that has the reader laughing out loud think of Molly Ivins but with the voice of faith and prayer added in for good measure and a low tolerance for sickly sweet theology But then he slips in the zinger that cuts through the laughter and goes for the soul His meditations aren t limited to Sam or even just dogs birds pigs squirrels rabbits fish bugs and even yaks feature in his stories An honest awareness and appreciation of

the depth and breath of life are hallmarks of these real life adventures and thought provoking reflections      **The Gospel of John** Benjamin Willard Robinson,1925      The gospel of the holy twelve: known also as the gospel of the perfect life, tr. and ed.
