**Building a Midshipman** Jacqui Murray,2006-08 For the thousands of students who apply every year for one of the four military academies slogging through the numbing concatenation of decisions preceding a nomination there is no greater intimidation than the statistically likely event that they will try and fail That s an examination into the pithiness of moral fiber important to the USNA and eulogized by James Stockdale USNA 46 and Medal of Honor Winner The test of character is not hanging in there when you expect a light at the end of the tunnel but performance of duty and persistence of example when you know that no light is coming This is the true story of how one All American kidlike those many that applydid it She had no idea she could aim so high and succeed so succinctly Her research into the typical Midshipman uncovered a profile alarmingly like herself If she dreamt of attending a college where she fit in and attracted kindred souls this qualified When you first meet Meaghan you may wonder why does she think an Ivy League school will accept her She doesn t earn straight As or play quarterback on the football team or center on the volleyball squad I describe in detail her background her academic interests her focus as well as her struggle to put together a winning admissions package Along the way you gain insight into the moral fiber that grounds everything she does and allows her to fight the good fight The support from family and friends and decisions she must make that superficially appear impossible for an adolescent but are in fact achievable for thousands

Muller,2024-12-01 As rebellion consumes California one soldier's loyalty is put to the test when she discovers the greatest threat to America wears a familiar face Colonel Chazz Silver Chief of Staff of the Army National Guard has always been a soldier's soldier Decorated war hero Respected leader Loyal to a fault But when she uncovers a plot to tear California away from the United States she realizes that the greatest threat to her country comes from within As tanks roll through Sacramento and Manzanar reopens Chazz finds herself caught in a web of betrayal that stretches from the governor's office to the highest echelons of the military Her lover Tom Pe a stands at the center of the storm but is he a co conspirator or just another pawn With time running out and the fate of millions hanging in the balance Chazz must navigate a minefield of loyalty and deception becoming a fugitive and forming an unlikely alliance with an Air Guard sergeant a cartel boss's sister and a Marine colonel Racing against time she traverses the sun baked Central Valley to the snow capped peaks of the Sierra Nevada each step bringing her closer to the truth and further from everything she once believed in But as the lines between friend and foe blur Chazz faces an impossible choice fulfill her oath to the Constitution or save the man she once loved *Death of a Golden State* is a gripping tale of loyalty betrayal and the high cost of doing the right thing It's a stark reminder that in times of crisis the most dangerous enemies are often the ones we never see coming In a state where the golden dream has turned to ashes her fight could change the nation's future Will Chazz's last ditch resistance be enough to keep the bear on the California Republic's flag from devouring the nation Or will her fight for justice spark a conflagration that consumes them all Instead of dreams turning to gold Chazz Silver is about to discover that nightmares can become all too real
