Horse Crazy Gary Indiana,2018-09-18 This story if it is one deserves the closure of a suicide perhaps even the magisterial finality of what is usually called a novel but the remnants of that faraway time offer nothing more than a taste of damp ashes a feeling of indeterminacy and the obdurate inconclusiveness of passing time So writes the unnamed narrator of *Horse Crazy* looking back on a season of madness and desire The first novel from the brilliant protean Gary Indiana *Horse Crazy* tells the story of a thirty five year old writer for a New York arts and culture magazine whose life melts into a fever dream when he falls in love with the handsome charming possibly heroin addicted and almost certainly insane Gregory Burgess In the derelict brownstones of the Lower East Side in the late eighties among the coked out restaurateurs and art world impresarios of the supposed downtown scene the narrator wanders through the fog of passion Meanwhile the AIDS epidemic is spreading through the city and New York friendships sputter to an end Here is a novel where the only moral is that thwarted passion is the truest passion where love is a hallucination and the gravest illness is desire
