Create The Love Of Your Life:

Loving the Love of Your Life Mark Gilroy,2009-12-28 Not too heavy not too light here is a fun and creative his and hers flip book to help couples express the love that is in their heart This two cover book is a fun interactive approach for couples who want to grow closer and create lasting memories together Husband and wife take turns reading through topics that give a dose of inspiration a principle for application and an activity for expressing just how much they love the other The book gets left on the other s pillow for the next turn of activity It s an amusing and refreshing way for reaffirming those wedding vows and for building happy and meaningful moments together

Conscious Dating: Finding the Love of Your Life and the Life That You Love David Steele,2006

The New Model of Love Charles Lim Wu,2018-05-11 Throughout history weve been conditioned by society media education and family to believe we need love to be happy In The New Model of Love author Charles Lim Wu examines and challenges this tightly held and deep seated belief He shows how love has evolved throughout the years and discusses the importance of realizing and accepting these changes to positively move forward Wu looks at and redefines love He explores the origins of the old model of love and tells how it no longer serves us to remain within its confines The New Model of Love discusses how it can be daunting to confront the old model but once that fear is conquered youll be free to love as youve never loved before Once you accept the new model youll find freedom in love and liberation from the shackles of needing love from others Youll stop seeking love and start creating it for yourself Using his personal experiences and discoveries as a backdrop Wu offers an opportunity to experience abundant joy and happiness in all your relationships with the goal of naturally and freely experiencing infinite love

Love Your Life to Death Yvonne Heath,2015-09-16 An Award Winning Book first published in 2015 with second addition released in 2019 Love Your Life to Death will make you laugh it will make you cry but most importantly it may give you a new perspective on life and death Through heartfelt stories of those who have been deeply impacted by loss and found happiness again and interviews of professionals who deal with grief death and dying you will gain from their insightful experiences You will be empowered by Exploring why we have become a death phobic society better understanding medical futility and quality vs quantity of life Discovering how living fully can help you die peacefully Looking at grief and filling your self care tool box Learning how to start The Talk about end of life wishes and planning and so much more Yvonne Heath is a nurse with a mission to help bring death out of the darkness and into our conversations and to create a culture of acceptance with less fear With over 25 years experience working in healthcare she has witnessed a great deal of excessive suffering in our death phobic society She has also felt it in her own life Inspired by those who have lived fully and died peacefully she has chosen to share her knowledge and experience through authoring books and speaking to the world about the value of talking planning and preparing for grief death and dying before they arrive By doing so we will suffer less This is her wish for the world
