The Pathless Land Joyce Collin-Smith, 2003 The Pathless Land is the fruition of a lifetime s work emerging from the one who has herself emerged from the shadow of great spiritual masters The tremendous range and depth of this work takes you through the spectrum of esoteric experience from Astrology to Zaphkiel This is a classic text from a true master one who has known and practised with the greatest gurus and enlightened teachers     **Genesis** Terry L. Newbegin, 2008-08-06 Genesis is not just the story of Adam and Eve it s your own story and a roadmap helping you understand why you are here and how you can return home     The American Issue, 1915     Word Daniel Patrick Piskorski, 2012-11 Inside of us is a relativity that runs as deep as the ocean can get and as hot as the sun can burn There s no wonder why nature and space can really be so fascinating and reassuring to our meaning The contents in our being the substance to our relativity is so vast and distant that it holds stars and galaxies but also so small and close that it cannot even be seen or felt inside the palm of your hand We are infinitely relative to the basis of all that exists whether it s perceived or not It doesn t matter what religion you believe what country you come from or what color your skin is because you re still relative to humanity as humanity is relative to life as life is relative to matter as matter is relative to space space to time and so on a so forth We re dimensional incorporations to a fabric that s woven from a collective relativity and stretched comparative to that of a dividing singularity We re interweaving expressions of each other that elaborate the function of our basis that explains and proclaims the word in our own various and collective collaborations All of our credit belongings and possessions have to go back to the source in which

they came but should also be done with pride in love and in thanksgiving for its opportunity and our chance to experience  
The experience however is a part of the legacy that will be contributed to the collective experience and added back to the  
source of the singular consciousness The content in which we safeguard with our body and express through our  
representation will pass on in the link of experience and chain of consciousness We're all relative to its basis and the passion  
to which it's professed should also be made to that of relation We shouldn't hang our relative ground to simple device and  
petty similarity like race nationality or religion but remain passionate to understanding and relative to purpose and meaning  
The word is a vindication from a meaningless life and is an ultimatum to a higher purpose that is just passed a threshold of  
your own demise The word is the content in which the house of your body safeguards as you transmit your experience to the  
universal plane of infinite oneness with the source of our existence *Collier's*, 1923 **Interviewed by God** Beth  
Banning, 2014-09-01 Interviewed by God is an account of Beth Banning's journey of spiritual awakening her conscious  
connection with God and the lessons she's learned along the way From a very young age Banning experienced phenomena  
that could only be called extraordinary she's received messages from spirit animals felt kundalini energy awaken in her and  
experienced dimensional shifts in her awareness that have allowed her to witness what only a few have seen She was visited  
by totem animals took ritualistic baths and visited shamans and healers she experienced ecstatic states and received  
messages her ego mind began to battle against her higher mind As she experienced her spiritual journey a small voice within  
guided her With doubt as her constant companion she continued to follow her inner promptings which led her to higher  
levels of truth about her connection to herself and the world and reality as we know it Written in a format in which the author  
is interviewed by God the book is meant to be a mirror for the reader to reflect their own experiences back to them and a  
gentle guide for those who are at the precipice of an extraordinary adventure and are either scared to jump or who hunger  
for answers and understanding **N.A.R.D. Notes** National Association of Retail Druggists (U.S.), 1913 **The Modern**
