Creating The Caring Congregation:

The Caring Congregation Ministry Implementation Guide Karen Lampe,Melissa Collier Gepford,2021-05-04 Pastors and church leaders genuinely want to care for people in their congregations and communities But pastors cannot care for an entire church and most laypersons don t have the training to do it The Caring Congregation Ministry is a model for person to person care that s been proven to work in small and large churches across the U S It is a laity centered ministry where laypersons receive rigorous training and then are commissioned to serve as Congregational Care Ministers caring for others in their own congregation and their extended community This remarkable approach to congregational care was first developed by author Karen Lampe and her team at The United Methodist Church of the Resurrection in Kansas City It has been tested refined and strengthened and is now being adapted in all sorts of congregational settings One early adapter was co author Melissa Gepford who launched a Caring Congregation Ministry in her own rural church Together they have created this immensely practical guide for any pastor or leader seeking to create a congregational care ministry This Implementation Guide is the main book for getting started It introduces the ministry model and explains the Five Essentials which form the ministry s foundation It is extremely practical full of checklists and other tools to help pastors and other leaders understand and explain this way of providing congregational care The Implementation Guide also includes a section focused on the crucial component of this ministry the Congregational Care Minister or CCM This section fully describes the characteristics of CCM s how to recruit people to this ministry how to discern if candidates are a good fit and how to conduct the CCM training over a multi week period It details the critical information CCM s must know and the behaviors and habits they must practice in order to be effective Note that the companion book The Caring Congregation Ministry Care Minister s Manual is required for the CCM training It serves as a training workbook which then becomes the CCM s personal reference manual

Creating the Caring Congregation Harold Wilke,1980 *The Caring Congregation Ministry* Karen Lampe,Melissa Gepford,2021-02-16 The Care Minister s Manual is the personal training workbook and reference guide for Congregational Care Ministers CCM s who serve a central role in the Caring Congregation Ministry CCM s receive in depth training where they learn the theological foundations of congregational care plus the behaviors habits and practices they will need to follow in order to serve others well Each CCM in training should have a copy of this Manual It serves as their training workbook which then becomes the CCM s personal reference guide The Caring Congregation Ministry is a model for congregational care that s been proven to work in small and large churches across the U S It is a laity centered ministry where laypersons receive training and then are commissioned to serve as Congregational Care Ministers or CCM s caring for the people in their congregation and community The Caring Congregation Ministry Implementation Guide is the main book for pastors and other leaders seeking to build launch and sustain a Caring Congregation Ministry in their church **The Caring Congregation** Karen Lampe,2011-09-01 Caring for the congregation is more than any one person can do even the pastor All

persons eventually experience grief and loss crisis and suffering and many come to church for the first time as a result of needing help Using this four session study modeled after The United Methodist Church of the Resurrection in Leawood Kansas churches can form an effective team by addressing four key areas of congregational care prayer ministry support ministry hospital visitation and grief and death ministry Karen Lampe says congregational care should be modeled after the ministry of Jesus who offered compassion understanding healing and wholeness as a way of offering God s redemptive gift of grace Congregational care is one reason according to pastors Adam Hamilton and Karen Lampe that their church is successful in attracting and keeping new members In each richly illustrated session readers will find inspiration Bible connection skill building practical tips and resources including information about anointing helpful scriptures application forms suggested requirements and application for team member a volunteer leader covenant safety and self care contract and a counseling guide   Developing a Caring Congregation Norbert C. Oesch,1980   Close the Back Door Alan F. Harre,1984 Every church has them inactive members who drop out of church life Statistics show that more and more individuals every year become backdoor losses It s a growing problem Who are these people What they really like Why do they drift away from the Church How can we reach out to them and bring them back Dr Harre uses a great deal of data from a wide variety of sources to help us better understand how a person becomes an inactive member He provides a how to program for training people to call on inactive members If your congregation is concerned about the loss of precious souls you ll find the suggestions in Close the Back Door to be well worth your time and attention   *Report of commission II: The church in the mission field* ,1910   Report of Commission I-VIII.: Report of commission II: The church in the mission field, with supplement: Presentation and discussion of the report in the conference on 16th June, 1910 ,1910   **A Witness Primer** Erwin J. Kolb,1986   **Paperbound Books in Print** ,1992   *Breath of New Life* Fritz Mutti,1999 Fritz Mutti bishop of the Kansas area of The United Methodist Church experienced forty months of watching two of his three sons suffer and die of AIDS related diseases There was no way through that experience except by the way of anguished prayer Bishop Mutti writes in Breath of New Life As Jesus found the strength to face Calvary through a prayer of sweat blood and tears in the Garden of Gethsemane so we moved from sorrow to sorrow through suffering prayer That prayer life led us into a new relationship with the Scriptures and a new awareness that God was with us in this terrible time We began writes the bishop to live in Christ know his sufferings trust his healing hope in his resurrection Out of that experience Bishop Mutti began to see spiritual leadership as more than the ability to organize or inspire plan or execute it emerges when the total human experience communes with God It comes from the deepest recesses of the soul Addressing traditional roles of spiritual leader such as prophets evangelists teachers priests pastors and visionaries Bishop Mutti provides insight that is born of a long struggle and helps clergy identify areas where they are strong and areas which need additional attention   **Childhood Education in the Church** Robert E.
