The Making of the Australian Commonwealth 1889-1900 Bernhard Ringrose Wise, 2017-10-11 Excerpt from *The Making of the Australian Commonwealth 1889 1900 A Stage in the Growth of the Empire* This is not a history document of the movement towards Australian Federation that should be the work of an Australian University nor another study of the constitution nor a memoir but the record by an eye witness of the making of the Commonwealth during the critical period from 1889 to 1900 which aims at giving to a later generation a more Vivid picture of that time and making intelligible the policy and passions of the contending parties the personalities of the rival leaders and the ebb and flow of popular sentiment which was the decisive factor in the great event It is a story which is worth the telling of a time when high ideals inspired men to effort and may repeat itself sooner than we think in a struggle for the closer Union of the British peoples If the names of the actors be unfamiliar to English readers let it be remembered that Galt George Brown Tupper and John A Macdonald were little known in England twelve years after the formation of the Dominion of Canada and that all who do work for the Empire have a place in its history whether they inhabit London Ottawa or Sydney About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
