[Shadow Work Book 1: Understanding and Making Peace With Your Darker Side](#) Kelly Wallace,2021-01-14 Discover the hidden forces that run and ruin your life We all have a darker side even if we re not aware of it or don t want to believe it When you ignore this shadow though it gets bigger and stronger and eventually starts making all of your decisions for you You might think that you re consciously directing your life but you aren t In this book *Shadow Work Understanding And Making Peace With Your Darker Side* I want to show you how you can work on healing your shadow self rather than hiding from it When I refer to your darker side or shadow self I m referring to the anger fear sadness rejection shame denial and

embarrassment that we all stuff down inside Why do we do this Because we re taught from a young age that these feelings aren t acceptable so we go through life pasting on a false front and adding more layers to the shadow within We then project onto others what we unconsciously view as faults within ourselves and the more regret pain and suffering we face To change all of that you need to discover why your shadow took up residence in the first place and all of the experiences that have added to its strength over the years then work on resolving them Soon you ll be living the life you were meant to live by embracing those darker parts and making your shadow work with you rather than against you Whether you ve struggled with money weight love or just about anything else after dissolving those shadows within you should notice your life changing in both small and dramatic ways You ll attract more positive people and better opportunities Life will be happier smoother and far more abundant
