## **Creation According To The Scriptures:**

Christian Orthodoxy in the Second Century Michael Jin Choi, 2024-12-30 What happened to the early church after the apostles had died out in the first century Many who had opposed the apostles soon increased in number and these charismatic personalities like Marcion and Valentinus now had the huge following to start their own churches and schools in many parts of the ancient world This book aims to offer primary source interaction with Irenaeus the most significant thinker in the second century who sensed a call to equip the church with sound doctrine *Landmarks of Truth; Or, Harmony of the Holy Scriptures with Reason and Science ... Together with a History of the Religious Denominations of the World, Etc* David Meyrick EVANS, 1874 *Creation According to Scriptures* R. J. Rushdoony, Mark R. Rushdoony, Mark A. Ludwig, Kenneth L. Gentry, Jr., Cornelius Van Til, Frank Walker, Jr., Charles A. McIlhenny, Dave Bush, John King, Thomas D. Schwartz, Paul Ferroni, Jerry Bergman, The debate over literal six day creation within the conservative camp is surely not a tempest in a teapot While it is fair to acknowledge that sincere Christians appear on both sides of the debate it is not correct to deduce from that literal six day creation is an issue on which there can be a reasonable brotherly disagreement Latitudinarians who point out that there has been no consensus on this issue in the orthodox Christian church should realize that there has been no consensus in the orthodox church on the doctrine of justification either but that fact does not suggest we may hold a latitudinarian view of it We unswerving advocates of literal six day creation are not contending that those who disagree with us are not Christians We are however contending that they do not believe in a Christian manner on this issue Subtitled A Presuppositional Defense of Literal Six Day Creation this symposium by thirteen authors is a direct frontal assault on all latitudinarian and otherwise waffling views of Biblical Creation It explodes the Framework Hypothesis so dear to the hearts of many respectability hungry Calvinists and it throws down the gauntlet to all who believe they can maintain a consistent view of Biblical infallibility while abandoning literal six day creation It is a must reading for all who are observing closely the gradual defection of many allegedly conservative churches and denominations or who simply want a greater grasp of an orthodox God honoring view of the Bible Politics - According to the Bible Wayne A. Grudem, 2010-09-28 Should Christians be involved in political issues This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life including politics Politics According to the Bible is an in depth analysis of conservative and liberal plans to do good for the nation evaluated in light of the Bible and common sense Evangelical Bible professor and author of the bestselling book Systematic Theology Wayne Grudem unpacks and rejects five common views about Christian influence on politics compel religion exclude religion all government is demonic do evangelism not politics and do politics not evangelism Instead he defends a position of significant Christian influence on government and explains the Bible s teachings about the purpose of civil government and the characteristics of good or bad governments Grudem provides a thoughtful analysis of over fifty specific and current political issues dealing with The protection of life Marriage the family and children

Economic issues and taxation The environment National defense Relationships to other nations Freedom of speech and religion Quotas And special interests Throughout this book he makes frequent application to the current policies of the Democratic and Republican parties in the United States but the principles discussed here are relevant for any nation
