Gudmestad,2025-11-11 *The Devil s Own Purgatory* is the first complete history of the Union navy s Mississippi Squadron a fleet that prowled the Mississippi River and its tributaries during the American Civil War The squadron battered Confederate forts participated in combined operations with the army obliterated the Confederate fleet protected Union supply lines fought a river based counterinsurgency war raided plantations and facilitated the freedom of thousands of enslaved people *Life of Andrew Hull Foote* James Mason Hoppin,2000 **Life of Andrew Hull Foote** James Mason Hoppin,1874 [Life of Andrew Hull Foote](#) James Mason Hoppin,2015-08-05 Excerpt from *Life of Andrew Hull Foote Rear Admiral United States Navy* The life which has been imperfectly set forth in these pages deserves to be remembered as that of one who labored and accomplished much for his country and as a life in itself pure manly and heroic It followed the law of right even when leading to sharp sacrifices and death It was one of those lives that by the simple force of character raises the spirit of its times to a higher moral level of manhood Though encountering great disappointments and trials and not permitted to realize what would appear to be his just anticipations the career of Admiral Foote may be still regarded in many respects as a brilliant one He did many notable and noble things He was in fact a great naval commander of the same stamp though perhaps from the lack of opportunities not so famous as Decatur Hull Lawrence McDonough and Perry In this biography I have not indulged in highly wrought descriptions of military scenes and events but with great pains have endeavored to keep on the exact level of truth carefully verifying every fact and statement by all the authorities at my command so that though the hope may be a vain one this volume might form a slight contribution to the
