Andy Warhol Andy Warhol, John Giorno, Donna M. De Salvo, 2003 *Andy Warhol*, 2003 *Andy Warhol* Andy Warhol, 2000 Fanciful shoes bouquets of spring flowers and napping cats are among the familiar motifs from Warhol's early work to be found in this collection 105 images 85 in color Andy Warhol Andy Warhol, Ivan Vartanian, 2000 **Drag & Draw** Nina Schleif, 2018 This book highlights two series of drawings from the 1950s where Warhol first explored the controversial and for him deeply personal subject of drag His oeuvre during the first decade of his career before he became the godfather of Pop has proven to be enormously influential on his life's work yet so far has not received due attention In 1953 Warhol created two unique series of drawings quite different from his commissioned work In one series he developed an ensemble of spirited women that were derived from photographs of stage divas and of men in drag He delved deeper into the art of dressing as the opposite sex with his second series a set of portraits of men posing in high and low drag This book considers Warhol's work and its debt to newly discovered photographs that his friend photographer Otto Fenn staged explicitly for Warhol's purpose *Drag draw* sheds light on New York's secret gay and drag scenes during the repressive 1950s

films from canonical classics such as *The Chelsea Girls* to sorely neglected titles such as *Bufferin* from leading scholars of cinema art and culture Drawing on research from the Warhol archives newly unearthed images and original interviews with denizens of the Factory this book explores the richness and variety of Warhol's films and interrogates accepted perspectives on them while acknowledging the challenge of ever fully coming to terms with the life and career of this extraordinary artist
