**The Magazine Sources for Interesting Anecdotes, Memoirs, Allegories, Essays, and Poetical Fragments-- by Mr. Addison (London, 1794-1797)** Edward W. R. Pitcher, 2004 The Interesting Anecdotes by Mr Addison are generally identified as a multi volume miscellany of prose and verse collected in 1794-97 but the extant volumes dated 1797 are apparently reissues of volumes which appeared earlier While the listings here usefully document specific borrowings the data also suggest the way in which literary magazines had become a resource to spur growth in that part of publishing which provided miscellanies and judicious selections to the common reader
