## Angel Dust:

*Hip Hop America* Nelson George,2005-04-26 From Nelson George supervising producer and writer of the hit Netflix series *The Get Down* *Hip Hop America* is the definitive account of the society altering collision between black youth culture and the mass media

*The Many Lives of Ajax* Timothy V. Dugan,2018-03-08 Ajax the archetypal Greek warrior has over the years been trivialized as a peripheral character in the classics through Hollywood representations and by the use of his name on household cleaning products Examining a broad range of sources from film art and literature to advertising and sports this study of the Bulwark of the Achaeans and his mythological image redefines his presence in Western culture revealing him as the predominant voice in *The Iliad* and in myriad works across the classical canon

*Synthetic Panics* Philip Jenkins,1999-07-01 America has a long history of drug panics in which countless social problems have been blamed on the devastating effects of some harmful substance In the last forty years such panics have often focused on synthetic or designer drugs like methamphetamine PCP Ecstasy methcathinone and rave drugs like ketamine and GHB Fear of these substances has provided critical justification for the continuing war on drugs *Synthetic Panics* traces the history of these anti drug movements demonstrating that designer chemicals inspire so much fear not because they are uniquely dangerous but because they bring into focus deeply rooted public concerns about social and cultural upheaval Jenkins highlights the role of the mass media in spreading anti drug hysteria and shows how proponents of the war on drugs use synthetic panics to scapegoat society's others and exacerbate racial class and intergenerational conflict
