**Angel's Obsession** DM Zhivago, 2025-08-31 Jax They call me the Angel of DEATH Not because I wear wings Because I'm the last thing you see when justice fails and vengeance is all that's left I don't flinch I don't hesitate I don't miss Pain quiets the demons Violence is the only language I speak fluently I've made peace with the monster I've become Until she walked back into my life Castiella She's the only light I've ever known The only person who sees through the blood and scars and doesn't look away We share a past one that carved us into survivors I wasn't there when they broke her And I'll never forgive myself for that She thinks she can't be saved But I don't want to save her I just want to love her in the wreckage I'll fight for her soul for her light for every piece of her she thinks is too shattered to save We won't fix each other We won't walk away clean But we'll fight for each other in the darkness And if anyone tries to take her from me They'll learn what it means when the Angel of DEATH comes calling I'll burn every rule every enemy every part of myself to protect her Because she's mine And I'd rather become the monster they fear than watch her drown in the world that made us this way Castiella I live in a world that sells sex as an illusion a world built on fantasy I learned how to wear desire like armor Smile tease pretend it doesn't hurt Men pay to play with me That's the job And I'm good at it I don't believe in fairy tales Not the kind with white dresses and clean slates My story is written in bruises and survival In the quiet ache of knowing some wounds never heal I wasn't always this way But life doesn't ask for permission when it breaks you It just keeps going and so did I Until I met the Angel of DEATH And my past came back to haunt me We share a history of blood and silence And now I'm caught in a role I didn't choose one that might just break me Because Jax doesn't play He claims He doesn't chase He keeps And he's not after my body He's after my heart He thinks he can fix me He sees the girl I used to be I see the woman I had to become He doesn't know how broken I really am He sees light in me I see the wreckage I love him God I love him He's

my weakness My home I m his obsession But love doesn t fix what s shattered And I m not sure I know how to live outside the life I ve built the one that numbs the pain hides the fear and keeps me from falling apart He wants to be my protector To chase away my fears and stand beside me in my darkness But I m just a fantasy And Jax doesn t realize we re both broken souls We won t heal each other But who knows Maybe we can hold each other through the pain And carve our own happily ever after

Eliot's Angels Bernadette Waterman Ward, 2022-06-15 Ren Girard s mimetic theory opens up ways to make sense of the tension between the progressive politics of George Eliot and the conservative moralism of her narratives In this innovative study Bernadette Waterman Ward offers an original rereading of George Eliot s work through the lens of Ren Girard s theories of mimetic desire violence and the sacred It is a fruitful mapping of a twentieth century theorist onto a nineteenth century novelist revealing Eliot s understanding of imitative desire rivalry idol making and sacrificial victimization

as critical elements of the social mechanism While the unresolved tensions between Eliot's realism and her desire to believe in gradual social amelioration have often been studied Ward is especially adept at articulating the details of such conflict in Eliot's early novels In particular Ward emphasizes the clash between the ruthless mechanisms of mimetic desire and the idea of progress or as Eliot stated growing good Eliot's Christian sympathy for sacrificial victims against her general rejection of Christianity and her resort to Nemesis to evade the systemic injustice of the social sphere The angels in the title are characters who appear to offer a humanist way forward in the absence of religious belief They are represented in Girardian terms as figures who try to rise above the snares of the mimetic machine to imitate Christ's self sacrifice but are finally rendered ineffectual Very few studies have tackled Eliot's short fiction and narrative poetry Eliot's Angels gives the short fiction its due and it will appeal to scholars of mimetic and literary theory Victorianists and students of the novel The Complete Critical Guide to Thomas Hardy Geoffrey Harvey, 2003 Thomas Hardy was the foremost novelist of his time as well as an established poet This guide provides students with a lucid introduction to Hardy's life and works and the basis for a sound comprehension of his work **Myth, Music and Ritual** Gabriela Chiciudean, Rodica Gabriela Chira, Emilia Ivancu, 2018-12-14 Divided into two parts this volume includes contributions focused on both myth and some of its contemporary reflections Part I and the connection between myth music and ritual Part II The fifteen contributions gathered here are authored by academics and researchers from Brazil France Poland Mexico South Africa and Romania They focus on a variety of subjects including folklore literature classical and traditional music science fiction philosophy and religion among others The volume operates with an awareness of the capital role the study of the imaginary with all its implications is playing in the contemporary world **American Literature in Transition, 1990-2000** Stephen J. Burn, 2017-12-28 Written in the shadow of the approaching millennium American literature in the 1990s was beset by bleak announcements of the end of books the end of postmodernism and even the end of literature Yet as conservative critics marked the century's twilight hours by launching elegies for the conventional canon American writers proved the continuing vitality of their literature by reinvigorating inherited forms by adopting and adapting emerging technologies to narrative ends and by finding new voices that had remained outside that canon for too long By reading 1990s literature in a sequence of shifting contexts from independent presses to the AIDS crisis and from angelology to virtual reality American Literature in Transition 1990-2000 provides the fullest map yet of the changing shape of a rich and diverse decade's literary production It offers new perspectives on the period's well known landmarks Toni Morrison Thomas Pynchon David Foster Wallace but also overdue recognition to writers such as Ana Castillo Evan Dara Steve Erickson and Carole Maso *Queen Elizabeth* Katherine Anthony Anthony, 1929 *The Thomas Wolfe Review*, 2007 Southern Humanities Review, 1994 **Oahspe** John Ballou Newbrough, 1910 **Queen Elizabeth** Katharine Susan Anthony, 1929 Firma de M Van Orsdell Incluye retrato de la reina Elizabeth *The Thomas Wolfe Newsletter*, 1980 Angel's Distributors, Inc.
