Angel Of Death In The Adonis Lounge:

The Angel of Death in the Adonis Lounge Marc Almond, 1988 **A Kiss across the Ocean** Richard T.

Rodríguez, 2022-08-08 In *A Kiss across the Ocean* Richard T. Rodríguez examines the relationship between British post punk musicians and their Latinx audiences in the United States since the 1980s. Melding memoir with cultural criticism, Rodríguez spotlights a host of influential bands and performers including Siouxsie and the Banshees, Adam Ant, Bauhaus, Soft Cell, Frankie Goes to Hollywood, and Pet Shop Boys. He recounts these bands' importance for him and other Latinx kids and discusses their frequent identification with these bands' glamorous performance of difference. Whether it was Siouxsie Sioux drawing inspiration from Latinx contemporaries and cultural practices or how Soft Cell singer Marc Almond's lyrics were attuned to the vibrancy of queer Latinidad, Rodríguez shows how Latinx culture helped shape British post punk. He traces the fandom networks that link these groups across space and time to illuminate how popular music establishes and facilitates intimate relations across the Atlantic. In so doing, he demonstrates how the music and styles that have come to define the 1980s hold significant sway over younger generations equally enthused by their matchlessly pleasurable and political reverberations. *The Last Star* Jeremy Reed, 1999 New revised and updated edition

A History of Gay Literature

Gregory Woods, 1998-01-01 Account of male gay literature across cultures and languages and from ancient times to the present. It traces writing by and about homosexual men from ancient Greece and Rome through the Middle Ages and Renaissance to the twentieth century gay literary explosion. It includes writers of wide ranging literary status from high cultural icons like Virgil, Dante, Marlowe, Shakespeare, and Proust to popular novelists like Clive Barker and Dashiell Hammett and of various locations from Mishima's Tokyo and Abu Nuwas's Baghdad to David Levitt's New York. It also deals with representations of male-male love by writers who were not themselves homosexual or bisexual men. **Literary and Visual**

Representations of HIV/AIDS Aimee Pozorski, Jennifer J. Lavoie, Christine J. Cynn, 2019-11-06 Literary and Visual Representations of HIV/AIDS Forty Years Later depicts how film and literature about the HIV/AIDS crisis expand upon the issues generated by the epidemic. This collection fills an important gap in the scholarship on HIV/AIDS by bringing together essays by both established and junior scholars on visual and literary representations of HIV/AIDS. Almost forty years after the first reported cases of what would later be defined as AIDS, this book looks back across the decades at works of literature and film to discuss how the representation of HIV/AIDS has shifted in media. This book argues that literature constitutes a very powerful response to AIDS that ripples into film and politics, driving the changes in past and contemporary representations of HIV/AIDS. The book also expands discussion of the issues generated and amplified by the epidemic to consider how HIV/AIDS has been portrayed in the United States, Western and Southern Africa, Western Europe, and East Asia. **Male**
