ON ANGELA CARTER**

Angela Carter Contemporary Critical Essays

Bran Nicol

Angela Carter Contemporary Critical Essays:

Angela Carter Alison Easton, 2000 Angela Carter's writings have been a source of pleasure, puzzlement, and controversy and explore the subject of gender in difficult and daring ways. This collection provides a selection of the different responses evoked by her work over the years. *Angela Carter: New Critical Readings* Sonya Andermahr, Lawrence Phillips, 2012-08-09 Bringing together leading international scholars of contemporary fiction and modern women writers, this book provides authoritative new critical readings of Angela Carter's work from a variety of innovative theoretical and disciplinary approaches. Angela Carter: New Critical Readings both evaluates Carter's legacy as feminist provocateur and postmodern stylist and broaches new ground in considering Carter as variously a poet and a naturalist. Including coverage of Carter's earliest writings and her journalism as well as her more widely studied novels, short stories, and dramatic works, the book covers such topics as rescripting the canon, surrealism, and Carter's poetics. Shaking a Leg Angela Carter, 1998-12-01 An electrifying intellectual autobiography with all the narrative expanse, drama, outrage, and high comedy of the author's fiction, Angela Carter is revealed here anew as one of the most important thinkers of twentieth-century world literature and one of its most pungent voices. Rick Moody One of contemporary literature's most original and affecting fiction writers, Angela Carter also wrote brilliant nonfiction. *Shaking a Leg* comprises the best of her essays and criticism, much of it collected for the first time. Carter's acute observations are spiked with her piercing matter-of-factness, her devastating wit, her penchant for mockery, and her passion for the absurd. Whether discussing films or food, feminism or fantasy, science fiction or sex, Carter consistently explores new territories and overturns old ideas. No cultural icon escapes her scrutiny, as in her fiction, Carter offers glorious evidence of the transforming power of the imagination. From delightfully wicked commentaries on *Gone with the Wind*, a Japanese fertility festival, and fellow writers including Lawrence, Lovecraft, Borges, and Burroughs to enchanting personal essays, Carter shares her thoughts and herself with glee. What a wonderful collection, sharp, funny, too decent for sarcasm, but great wit and humanity, an unusual combination. But it makes us miss her, miss laughing with her, that real, intelligent, tough writing woman. Grace Paley **The Infernal Desires of Angela Carter** Joseph Bristow, Trev Lynn Broughton, 2014-10-13 Drawing on many aspects of contemporary feminist theory, this lively collection of essays assesses Angela Carter's polemical fictions of desire. Carter, renowned for her irreverent wit, was one of the most gifted, subversive, and stylish British writers to emerge in the 1960s. *Handbook of the English Novel of the Twentieth and Twenty-First Centuries* Christoph Reinhardt, 2017-06-12 The Handbook systematically charts the trajectory of the English novel from its emergence as the foremost literary genre in the early twentieth century to its early twenty-first-century status of eccentric eminence in new media environments. Systematic chapters address The English Novel as a Distinctly Modern Genre, The Novel in the Economy, Genres, Gender, performativity, masculinities, feminism, queer, and The Burden of Representation, class, and ethnicity. Extended contextualized close readings of more than twenty key texts from Joseph Conrad's *Heart of Darkness* (1899) to Tom

McCarthy's *Satin Island* 2015 supplement the systematic approach and encourage future research by providing overviews of reception and theoretical perspectives

Ludics and Laughter as Feminist Aesthetic Jennifer Gustar, Caleb Sivyer, Sarah Gamble, 2021-01-20 Angela Carter's provocations to laughter and her enchantment with ludic narrative strategies are two key aspects of her aesthetic practice neither of which has been the focus of sustained study *Ludics and Laughter as Feminist Aesthetic* Angela Carter at Play responds to this lacuna in Carter criticism This international collection of eleven essays from acclaimed Carter scholars and emerging voices in the field of Carter studies seeks to reclaim play as a serious undertaking for feminist writing and scholarship and to foreground laughter as a potent affect While Carter's work turned to comedy in the later years from the first publication in 1966 until her last in 1992 her fiction poetry and journalism engaged in sharp social and cultural critique she habitually engaged this critique through ludic structures and wickedly funny narratives that challenged conventional norms and ways of thinking Contributors explore the diverse ways in which Carter compelled a complex and often uneasy laughter by means of a controversial aesthetic that merges a persistently ludic sensibility with a biting intransigent wit This volume draws on theories of play surrealism feminism as well as studies of feminist humour and Carter's own journals and diaries to reveal the ways in which her work moves readers towards the unexpected This volume will be of relevance both to scholars of Carter's work and of feminist humour more generally as well it will be of interest to students and general readers of Carter's fiction journalism and poetry

Fantasies of Gender and the Witch in Feminist Theory and Literature Justyna Sempruch, 2008-03-01 In *Fantasies of Gender and the Witch in Feminist Theory and Literature* Justyna Sempruch analyzes contemporary representations of the witch as a locus for the cultural negotiation of genders Sempruch revisits some of the most prominent traits in past and current perceptions in feminist scholarship of exclusion and difference She examines a selection of twentieth century US American Canadian and European narratives to reveal the continued political relevance of metaphors sustained in the archetype of the witch widely thought to belong to pop cultural or folkloristic formulations of the past Through a critical rereading of the feminist texts engaging with these metaphors Sempruch develops a new concept of the witch one that challenges traditional gender biased theories linking it either to a malevolent hag on the margins of culture or to unrestrained feminine sexual desire Sempruch turns instead to the causes for radical feminist critique of feminine sexuality as a fabrication of logocentric thinking and shows that the problematic conversion of the hag into a superwoman can be interpreted today as a therapeutic performance translating fixed identity into a site of continuous negotiation of the subject in process Tracing the development of feminist constructs of the witch from 1970s radical texts to the present Sempruch explores the early psychoanalytical writings of Cixous Kristeva and Irigaray and feminist reformulations of identity by Butler and Braidotti with fictional texts from different political and cultural contexts

[The Cambridge Introduction to Postmodern Fiction](#) Bran Nicol, 2009-10-08 Postmodern fiction presents a challenge to the reader instead of enjoying it passively the reader has to work to understand its meanings to think about

what fiction is and to question their own responses Yet this very challenge makes postmodern writing so much fun to read and rewarding to study Unlike most introductions to postmodernism and fiction this book places the emphasis on literature rather than theory It introduces the most prominent British and American novelists associated with postmodernism from the pioneers Beckett Borges and Burroughs to important post war writers such as Pynchon Carter Atwood Morrison Gibson Auster DeLillo and Ellis Designed for students and clearly written this Introduction explains the preoccupations styles and techniques that unite postmodern authors Their work is characterized by a self reflexive acknowledgement of its status as fiction and by the various ways in which it challenges readers to question common sense and commonplace assumptions about literature

York Notes AS/A2: The Bloody Chamber Kindle edition Steve Roberts,R. Steve Roberts,David Grant,2013-09-16 THE ULTIMATE GUIDES TO EXAM SUCCESS York Notes for AS A2 are brand new and have been specifically designed to help you get the very best grade you can They are comprehensive easy to use packed with valuable features and written by experienced examiners and teachers to give you an expert understanding of the text critical approaches and the all important exam This edition covers The Bloody Chamber and includes An enhanced exam skills section which includes essay plans expert guidance on understanding questions and sample answers You ll know exactly what you need to do and say to

Angela Carter's Futures Sarah Gamble,Anna Watz,2025-02-20 This book explores Angela Carter s creative and critical afterlives as well as the multiple ways in which her work is amenable to being read through current critical and cultural theories Examining topics as diverse as theatrical adaptations of Carter s novels her post human politics and the inspiration of her work for contemporary writers the essays in this collection demonstrate Carter s continuing relevance into the 21st century This volume will appeal both to scholars and students of contemporary women s writing British fiction critical theory reception studies and gender studies

Transgender and The Literary Imagination Rachel Carroll,2018-08-13 Explores the depiction of transgender identity in twentieth century and contemporary literary fictionTransgender and the Literary Imagination is the first full length study to revisit twentieth century narratives and their afterlives examining the extent to which they have reflected shaped or transformed changing understandings of gender Grounded in feminist scholarship informed by queer theory and indebted to transgender studies this book investigates the ways in which transgender identities and histories have been authored by others with a focus on literary fiction by British Irish and American authors life writing and adaptation for stage and screen Key Features First full length study of the representation of transgender characters in twentieth century literary fictionEssential overview of key critical issues for the analysis of transgender representation in literary fiction informed by contemporary cultural debates Original readings of a selection of fiction by British Irish and American authors including Angela Carter Patricia Duncker David Ebershoff Jackie Kay and George MooreOriginal readings of award winning film adaptations Albert Nobbs 2011 and The Danish Girl 2016

Contemporary Gothic Drama Kelly Jones,Benjamin Poore,Robert Dean,2018-07-07 This ground breaking volume is the

first of its kind to examine the extraordinary prevalence and appeal of the Gothic in contemporary British theatre and performance Chapters range from considerations of the Gothic in musical theatre and literary adaptation to explorations of the Gothic's power to haunt contemporary playwriting macabre tourism and site specific performance By taking familiar Gothic motifs such as the Gothic body the monster and Gothic theatricality and bringing them to a new contemporary stage this collection provides a fresh and comprehensive take on a popular genre Whilst the focus of the collection falls upon Gothic drama the contents of the book will embrace an interdisciplinary appeal to scholars and students in the fields of theatre studies literature studies tourism studies adaptation studies cultural studies and history

The Oxford Encyclopedia of British Literature David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to *The Oxford Encyclopedia of American Literature* this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/ebl

Angela Carter S. Gamble, 2005-12-16 By the time of her death in 1992 Angela Carter had come to be regarded as one of the most successful and original British authors of the twentieth century and her writing has subsequently become the focus of a burgeoning body of criticism This book disentangles the cult of Angela Carter as the fairy godmother of magical realism from her own claims to be a materialist and a demythologiser by placing her within the social political and theoretical context within which she wrote Drawing on Carter's own autobiographical articles as well as her novels and short stories this study examines her engagement with topical issues such as national particularly English identity class politics and feminism assessing the relationship between her life her times and her art

Re-Visiting Angela Carter R. Munford, 2006-09-05 Focusing on questions of intertextuality authorship and representation this book offers a re-examination of one of the twentieth century's most important British writers A provocative collection both offers new readings of Carter's opus and contributes to contemporary critical debates concerning gender postmodernism and intertextual theory

The Norton Anthology of Literature by Women: Early twentieth-century through contemporary Sandra M. Gilbert, Susan Gubar, 2007 Long the standard teaching anthology the landmark Norton Anthology of Literature by Women has introduced generations of readers to the rich variety of women's writing in English

Mythprint, 2000

Angela Carter's Nights at the Circus Helen Stoddart, 2007-04-11 Surveying the many interpretations of this provocative text this guide showcases a selection of new critical essays to present those beginning a detailed study of the novel a way through the contextual and critical material that surrounds it

Angela

Carter and Surrealism Anna Watz, 2016-07-15 In 1972 Angela Carter translated Xavi re Gauthier s ground breaking feminist critique of the surrealist movement *Surr alisme et sexualit* 1971 Although the translation was never published the project at once confirmed and consolidated Carter s previous interest in surrealism representation gender and desire and aided her formulation of a new surrealist feminist aesthetic Carter s sustained engagement with surrealist aesthetics and politics as well as surrealist scholarship aptly demonstrates what is at stake for feminism at the intersection of avant garde aesthetics and the representation of women and female desire Drawing on previously unexplored archival material such as typescripts journals and letters Anna Watz s study is the first to trace the full extent to which Carter s writing was influenced by the surrealist movement and its critical heritage Watz s book is an important contribution to scholarship on Angela Carter as well as to contemporary feminist debates on surrealism and will appeal to scholars across the fields of contemporary British fiction feminism and literary and visual surrealism

Contemporary Women's Writing Maroula Joannou, 2000 This wide ranging study provides a historically grounded account of women s fiction in the 1960s and the 1970s relating changes in the social structure of Britain and the United States to the literary representations of women s experience Maroula Joannou recounts a time of innovation hope and change in the history of literature and the history of women She analyzes the literary impact of the women s movement in Britain and the Civil Rights Movement in the United States on books as diverse as Angela Carter s modern fairy tales and Ursula Le Guin s science fiction Topics include femininity sexuality working class women s writing motherhood continuities and change in the literary tradition the feminist confessional novel experiments in science and detective fiction narratives engaging with the end of the British Empire and black women s writing in the United States This contribution to literary history provides readings of A S Byatt Pat Barker Anita Brookner Margaret Drabble Doris Lessing Erica Jong Toni Morrison Sylvia Plath Marge Piercy Jean Rhys Joanna Russ Alice Walker Fay Weldon and others
