Angels A Knitters Dozen:

Angels Gerdine Strong,2002 Explaining the basics of lace knitting this series features directions for creating 10 small angels and two large angels Because the construction and lace patterns are simple variations on a theme lace knitting skills are progressively honed and developed The sequence of work allows the knitter to observe how the lace pattern develops and then to explore its options for further fabrication Clearly illustrated techniques and step by step blocking and finishing directions ensure first time success *Jean Frost Jackets* Jean Frost,2003 These 21 classic designer inspired styles are the perfect fit Comfortable to wear easy to pack and fun to create Basic stitches quality yarns and easy to do details add up to the style that distinguishes these knits as jackets Real life knitting for women with real lives **Lace** ,2005 **The Magic Journey** John Nichols,2013-12-10 Spanning forty years the second book in John Nichols s New Mexico trilogy The Magic Journey tells the tale of how relentless progress transformed a rural backwater into a boomtown Boom times came to the forgotten little southwestern town of Chamisaville just as the rest of America was in the Great Depression They came when a rattletrap bus loaded with stolen dynamite blew sky high leaving behind a giant gushing hot spring Within minutes the town s wheeler dealers had organized and within a year Chamisaville was flooded with tourists and pilgrims and the wheeler dealers were rich At first it was a magic time for Chamisaville almost as if every day were a holiday But the euphoria gradually dissipated and the land hungry developers speculators and interlopers moved in Finally the day came when Chamisaville s people found themselves all but displaced their children no longer heirs to their land or their tradition With mounting intensity The Magic Journey reaches a climax that is tragically foreordained A sensitive vital and honest chronicle of life in America s Southwest it is also an incisive commentary on what America has become on its road to progress The Magic Journey is part of John Nichols s New Mexico trilogy which includes The Milagro Beanfield War and The Nirvana Blues

Robson,2024-07-25 Elizabeth Heyrick was a fiercely outspoken anti slavery campaigner who challenged male authority and advocated for the abolishment of slavery Elizabeth Heyrick fought fiercely for the rights of oppressed people After a disastrous marriage she became a prolific pamphleteer a Quaker and one of the most outspoken anti slavery campaigners of her time Despite renewed contemporary interest in slavery and in the stories of those who opposed it female abolitionists are still much less well known than their male counterparts Yet they were often more radical and more daring Heyrick defied male authority and she led others in challenging William Wilberforce and his colleagues to fight for the immediate rather than the gradual abolition of slavery This book is the first full length biography of Elizabeth Heyrick and it sets her life in the context of the British anti slavery movement of the eighteenth and early nineteenth centuries She was a woman who dared to put her head above the parapet and to call out those responsible for one of the worst abuses of human rights in history She was courageous loyal and uncompromising and did not suffer fools gladly It was not until long after her death in 1831 that her contribution to the anti slavery cause started to be recognized and even today she remains hidden in the shadows of the movement Using archival records and recently unearthed family materials as well as contemporary fiction and memoirs the author creates a compelling account of an unsettled life set in turbulent times Global Warming and War John Slade,2008-04-22 In Volume II of the Adirondack Green trilogy the people of a small American town respond to the dying forest and the death of one of their sons in Iraq **The Atlantic Monthly** ,1871 **Herald and Presbyter** ,1915 **Textile Recorder** ,1916 Selling by Mail Verneur Edmund Pratt,1924 Good Housekeeping ,1897 The Freethinker ,1900 **Forest and Stream** ,1904 **Doidge's Western Counties' Illustrated Annual for ...** ,1876 **The Rural New-Yorker** ,1922
