Angels and Demons John D. Schuetze, 1997 Angels, Demons & the Dead Sharon T. Beekmann, 2020-04-06 For years Sharon Beekmann was a spiritualist channeling the dead for friends and others Then she saw the light Popular culture depicts larger than life supernatural beings who mesmerize dominate and sometimes destroy humanity The dead visit the living and foretell future events Even Christians can be swayed by their depictions In Angels Demons and the Dead Beekmann answers questions like Can we still speak to the dead Does God still send angels to minister to his people How can we know the difference between angels and demons What is discernment and why is it important Building on a solid foundation on Scripture she offers a method to test the source of these mysterious beings Most important however we don't need to fear spirits The Lord himself created and rules over them and wants us to discern whether or not they come from him He has given us his Word and his Spirit to teach us everything we need to know Book 3 in the Christian Discernment Series

Death's Angel Heather Killough-Walden, 2012-12-31 Since the beginning of time the archangels have longed to know true love When four female angels were created for the four archangels Michael Gabriel Uriel and Azrael a chaos spurred by jealousy erupted and the archesses were secreted away to Earth The four favored archangels followed prompting a search that has lasted millennia As the Angel of Death Azrael could never be like his brothers While the others fell to Earth in human form Azrael descended as a vampire Today as the lead singer of a popular rock band he keeps his true nature hidden a powerful darkness constantly at odds with his angelic self Beneath his mask Azrael holds onto the hope that he will one day find the archess who will complete him At his brother Gabriel's wedding Azrael set his golden eyes on Sophie Bryce the maid of honor He is certain she is his destined mate and will do anything to make her his But Sophie is unaware of her archess

identity and is haunted by unspeakable demons of her own When supernatural forces emerge from the shadows threatening Sophie Azrael is the only one who can protect her But to do it he must reveal his true savage self **Demons** Esther E. Schmidt,2019-06-25 Held captive by the same Demon who took her sister Tria doesn t have any other option than to agree to Vike s terms accept him as her true mate in return for her sister s freedom But her sister might have stumbled onto something else to save herself As the president of The Demon charter Vike has been fighting a battle to save his brother and the world all by himself While other Paranormals turned their backs on him he stands strong while risking it all When help is finally offered Vike trusts no one a downside which could cost him his life along with unleashing an apocalypse Dive into book three of Death by Demon MC and submit to the burning truth that scorching the darkness might be the only way to save this world Each book in the Death by Reaper MC series can be read as a standalone story featuring a new couple For a greater reading experience and background storyline recommended reading order Hellhounds Death by Reaper MC 1 Vampires Death by Reaper MC 2 Demons Death by Reaper MC 3 Dragons Death by Reaper MC 4 Angels, Demons, and the Devil F. Lagard Smith,2013-12 Angels demons and the devil have fascinated humankind from the dawn of time Contemporary interest in angels is especially keen as best seen in the mass marketing of angel books and angel art The world is awash with wings But is this romantic view of angels a biblically accurate depiction of these heavenly creatures What can we know about the angels How if at all do they touch our lives Despite a bizarre mixture of comedic references to a red suited bogeyman and by contrast frightening images of a cunning Satan relentlessly tempting each of us to do evil far less serious attention has been paid to demons and the devil Most likely it s because the pertinent scriptures are not always easy to discern Just when we think we have demons safely within a well defined box suddenly they come swooping at us from another direction Just when we think everything about the devil is well within our grasp suddenly that fiendish figure becomes far more elusive This challenging biblical landscape explains the unusual format of presenting what the Bible has to say about these intriguing celestial beings as if you the reader were having a one on one conversation with Michael the archangel If anyone should know everything there is to know about the subject surely it would be Michael
