Angels Glance:

1 and 2 Peter Robert Leighton, Griffith Thomas, 1999-04-01 Original works by godly writers tailored for the understanding of today's reader For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God who were highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentary Series carefully adapted for maximum understanding and usefulness presents the very best work on individual Bible books for today's believers Addressed to persecuted believers Peter's first letter encourages them with the knowledge that it is possible to live victoriously in the midst of hostility just as Christ who suffered unjustly did He exhorts them to live a holy life that they might be a witness and evangelize the world through their faithfulness In his second epistle Peter warns against the more subtle dangers from within the church false teachers and errant doctrine He also emphasizes the importance of scriptural knowledge for only in understanding true doctrine will heresies be known and immoral behavior be exposed Robert Leighton and Griffith Thomas's exploration of 1 and 2 Peter's key passages offers resounding wisdom that will both instruct and encourage all Christians
