

A large pyramid, likely the Great Pyramid of Giza, dominates the left side of the frame. The pyramid's surface is composed of many small, weathered stone blocks, showing some erosion and shadowing. The sky is a pale, overcast grey. In the foreground and middle ground, the desert floor is sandy and scattered with dark, rectangular blocks, possibly remnants of the pyramid's construction or other structures. A small, dark silhouette of a person stands in the distance on the right, providing a sense of scale.
