

Reasons You May Be Angry:

- **Stress:** Maybe you feel behind on a work project, feel you're not reaching your goals, or feel as if there's not enough time in the day to care for yourself. Stress can come from many different things, but sometimes it can lead people to feel angrier.
- **Personal problems:** When we have relationship difficulties or negative events happen to us (e.g., getting stuck in traffic 3 days in a row), it's normal to start to feel angry.
- **Negative events:** Maybe you were in a car accident or your boss has been treating you poorly. All these events are scary and frustrating, and can definitely lead to anger.
