Animal Bandits Robert Henno,1993 Presents nine different birds and animals whose food gathering habits are often criticized by people but shows that they all have their niche in the balance of nature Swashbuckler! Mike McCahon,2012-12-12 Swashbuckler is an RPG set in a semi fictional past around the 17th and 18th centuries in which players take on the characters of daring swaggering chandelier swinging heroes and rogues quick of blade and agile of body where style and swordplay matter far more than the odds of success It s the world of pirates privateers musketeers roundheads and cavaliers revolutionaries and loyalists gallant officers rakes duellists dashing heroes and desperate villains If you ve ever wanted to take a proud Spanish galleon by storm or an evil duke s daughter from his castle or exchange kisses and charming words with plucky heroines between daredevil escapes and desperate duels this is the place This book contains complete rules NPCs and five scenarios **Making a Stand for Animals** Oscar Horta,2022-06-23 Engaging and thought provoking this book examines how humans see and treat other animals and argues that we should extend equal consideration and respect to all beings human and nonhuman alike Our world is plighted by isms such as racism and sexism but we may have overlooked a very important one speciesism Speciesism is a form of discrimination against those who don t belong to a certain species It drives us to see nonhuman animals as objects rather than individuals with their own interests and with the ability to feel and suffer This book questions all of the assumptions speciesism is based upon It raises many challenging questions over humans very complicated attitudes toward other animals Thinking about how animals are used as well as the suffering of wild animals and what the future may be for all beings this book calls for society to seriously take into account the interests of all animals For all who care about animals or simply how to make the world a better place this book is essential reading **Haiku & Senryu Poetry for You** Cleveland Deeds,2011-08-01 This japanese Style poetry book with lots of b w pictures inside its pages will be one of the most colorful books read as every verse truly does paint a full color image into the mind of all who reads pictures that this poet greatly paints with his words that are written with perfectly mastered technique My Road to Kenya Mary Clare Lyons,Jack O'Leary,2012-08-10 Together we shared a mostly happy journey facing and overcoming obstacles meeting fascinating people wherever we went while falling completely in love with the people of Kenya This book is a tribute to my co laborers and in writing this book I hope to show that one does not need to be a hero to step out take risks and make the world a better healthier and happier place Jack OLeary An archbishop an environmentalist and an AIDS activist are only a few of the heroes who stood up against a ruthless dictator and corrupt government in Jack OLearys My Road to Kenya My Road to Kenya shines a light on a group of everyday heroes who believe they were called to make a difference in the lives of the people of Kenya Fate and faith led them to the crossroads where their paths converged Working together they have built and supplied hospitals clinics schools churches and homes for hundreds of children many of whom were orphaned by HIV AIDS Through it all they asked for nothing for themselves Yet in

the end the collaborations of these everyday heroes resulted in something invaluable the forging of deep and long lasting friendships
