**Mystery Classics on Film** Ron Miller, 2017-02-20 Watching the screen version of a classic mystery novel can be disappointing. By necessity or artistic license or possibly just ego changes are often made by the filmmakers, many of them ineffective or even detrimental. This book focuses on the screen adaptations of 65 famous mysteries and examines how the filmmakers either succeeded or failed in the telling of the story. Interviews with several famous mystery writers are included with their comments on how filmmakers treated their work.
