edition The Craft of Musical Composition The Craft of Musical Composition, by Paul Hindemith. Book I. Theoretical Part. English Translation by Arthur Mendel. [Book II. Exercises in Two-part Writing. English Translation by Otto Ortmann]. Paul Hindemith, The Cambridge Companion to Composition Toby Young, 2024-05-30 There are as many ways of creating music as there are composers in the world with a vast array of possible methods and practices This book provides essential critical and practical tools for composers as they try to navigate this complex landscape whilst also offering provocations for practitioners discovering their own voices and solidifying their place in their musical communities Designed to be a companion in the truest sense the book offers practical support throughout the creative process and thought provoking insights on technical questions for a range of compositional approaches Theoretical part. English translation by Arthur Mendell. Book II. Exercises in two-part writing. English translation by Otto Ortman Paul Hindemith, 1945 *The Craft of Musical Composition: Theoretical part. English translation by Arthur Mendel* Paul Hindemith, 1941 *Music in German Philosophy* Stefan Lorenz Sorgner, Oliver Fürbeth, 2011-01-15 Though many well known German philosophers have devoted considerable attention to music and its aesthetics surprisingly few of their writings on the subject have been translated into English Stefan Lorenz Sorgner a philosopher and Oliver Fürbeth a musicologist here fill this important gap for musical scholars and students alike with this compelling guide to the musical discourse of ten of the most important German philosophers from Kant to Adorno *Music in German Philosophy* includes contributions from a renowned group of ten scholars including some of today's most prominent German thinkers all of whom are specialists in the writers they treat Each chapter consists of a short biographical sketch of the philosopher concerned a summary of his writings on aesthetics and finally a detailed exploration of his thoughts on music The book is prefaced by the editors original introduction presenting music philosophy in Germany before and after Kant as well as a new introduction and foreword to this English language addition which places contemplations on music by these German philosophers within a broader intellectual climate
