Crafts Of Egypt:

Clothes and Crafts in Ancient Egypt Richard Balkwill,2000 Describes the clothing and crafts of the people who lived in the valley of the Nile River and includes information about their daily lives and festivals The Traditional Crafts of Egypt Menha el-Batraoui,Minḥah Baṭrāwī,2016 Many traditional crafts practiced in contemporary Egypt can be traced back hundreds if not thousands of years Scenes inscribed on the walls of ancient temples and tombs depict the earliest Egyptians making pottery and papyrus and working with stone wood and other materials The eleven chapters of this volume explore these and other crafts that continue to flourish in Egypt From copper and glass works to jewelry woodwork and hand woven carpets and fabric each chapter offers an in depth look at one material or craft and the artisans who keep its traditions alive The authors drawing on historical sources and documentary research sketch the evolution of each craft looking into its origins the development of tools and methods used in the craft and the diverse influences that have shaped the form and function of craft items produced today ranging widely through the pharaonic Coptic Islamic and modern periods This historical examination is complemented by extensive field research and interviews with craftsmen and women which serve to set these crafts into a living cultural context and offer a window into the modern craft economy the lives of craftspeople and the local communities and traditions they express and sustain The volume is amply illustrated with vivid photographs of contemporary craft items and artisans at work from the coastal town of Damietta to the far flung deserts and the ancient alleyways of Cairo It is a narrative and visual tour that provides valuable insight into contemporary Egypt as seen through its material culture and the legions of unsung artists who nourish and enrich it **The Culture and Crafts of Egypt** Paul Challen,2015-07-15 The African country of Egypt was the center of one of the first human civilizations Just looking at photographs of ancient Egyptian pyramids jewelry and even mummies shows how imaginative and intelligent the ancient Egyptians really were Today Egypt is still a source of beauty and creativity The crafts featured in this book include a tambourine a papyrus scroll and even a death mask Readers are sure to enjoy learning about the Egyptian culture while learning about traditional Egyptian crafts at the same time Colorful photographs and step by step instructions accompany the curriculum based text to reinforce learning **Arts and Crafts of Ancient Egypt** William Matthew Flinders Petrie,1910 **The Materials of the Painter's Craft in Europe and Egypt** Arthur Pillans Laurie,1911 **The Culture and Crafts of Egypt** Paul Clarence Challen,2016 Colorful photographs and informative text introduce young readers to the culture of Egypt along with step by step instructions for related arts and crafts projects The Arts and Crafts of Our Teutonic Forefathers Gerard Baldwin Brown,1910 Manual of the Furniture Arts and Crafts Axel P.
