## Craving For Love:

**Craving Love** Michelle Howard, Danger abounds and Ghost Unit's skills are needed. A credible threat to the Jutak Commander has the team racing to engage the enemy. Being a soldier fit Dorian Uchu like a second skin. After being rejected time and again he'd finally found a place to call home and a team he'd die to defend. He didn't expect the woman who came along and captured his interest with the same level of intensity. Now he has to figure out how to keep safe the one thing he's always wanted: love. Time was limited for Zsamei Kreene. Determined to make the best of her life, she worked to find joy in her business and the few friends she allowed close. Falling for the mysterious man who showed up occasionally wasn't in the plans, yet her heart grew to crave him with every beat. Was it wrong to take a leap of faith for love when she already knew this fairy tale couldn't end in happy ever after? From the universe that brought you *A World Beyond* comes a new series about hot alien soldiers. Meet the members of Ghost Unit.

***Shaking Hands with Love*** Gina Ravenswood, 2013-01-28. Can you feel the love in the room? Follow it, dear one, you are dying. These words were spoken to Nanette as she passed over to the other side. Gina Ravenswood has lived her life in the pursuit of helping others understand theirs. A medium by calling and trade, she enjoys a complicated relationship with death and what follows. When her dear friend Nannette was dying of cancer, Gina was at her side. That night, as Nannette prepared to take her last breath, her friend was there. But this was not the end for these two friends; it was the start of an extraordinary journey they would share to death and beyond. Gina was awestruck and comforted by the soothing guidance of the angelic presence who came to lead Nannette to her new experience. This is the true story of that remarkable friendship and the profound journey they shared. A few years after her death, Nannette reappeared to Gina, and they enjoyed many colorful conversations. Together, Gina, Nannette, and the spirit guides opened up a new dimension of love and understanding. Nannette was able to share some astonishing insight into what happens after we die, bringing great comfort and peace to the friend she left behind on Earth. If you've ever wondered what might happen in the afterlife, *Shaking Hands with Love* seeks to provide an answer. Gina's experiences have helped her to face death with great optimism, hope, and love.

***Love and Saint Augustine*** Hannah Arendt, 2014-12-10. The brilliant thinker who taught us about the banality of evil explores another brilliant thinker and his concept of love. Hannah Arendt, the author of *The Origins of Totalitarianism* and *The Human Condition*, began her scholarly career with an exploration of Saint Augustine's concept of *caritas*, or neighborly love, written under the direction of Karl Jaspers and the influence of Martin Heidegger. After her German academic life came to a halt in 1933, Arendt carried her dissertation into exile in France, and years later took the same battered and stained copy to New York. During the late 1950s and early 1960s, as she was completing or reworking her most influential studies of political life, Arendt was simultaneously annotating and revising her dissertation on Augustine, amplifying its argument with terms and concepts she was using in her political works of the same period. The dissertation became a bridge over which Arendt traveled back and forth between 1929 Heidelberg and 1960s New York, carrying with her

Augustine's question about the possibility of social life in an age of rapid political and moral change. In *Love and Saint Augustine*, political science professor Joanna Vecchiarelli Scott and philosophy professor Judith Chelius Stark make this important early work accessible for the first time. Here is a completely corrected and revised English translation that incorporates Arendt's own substantial revisions and provides additional notes based on letters, contracts, and other documents, as well as the recollections of Arendt's friends and colleagues during her later years. Both the dissertation and the accompanying essay are accessible to informed lay readers. Scott and Stark's conclusions about the cohesive evolution of Arendt's thought are compelling but leave room for continuing discussion. *Library Journal*, A revelation. *Kirkus Reviews*.

**The Ride of Your Life** Tina Elliott Boyd, 2014-12-19. *The Ride of Your Life* embraces a highly visual, kinetic, and common image of a front wheel of a bicycle as a tool, the front wheel concept. The concept helps readers come to understand the spiritual journey to give a beautiful and joyful ride, no matter what has happened in your life. Building upon a life-changing personal event, Tina brings the details of riding a bike into conversation with the discipline of becoming more faithful on her ride by growing her relationship with God. **The Language of Creation.** Tantra Maat, 2013-10-01. There is a Language of Creation within which we all exist, whether a sun, a tiger, or a human being. This language carries our Original Design. The flower opening toward the sun is that language. The spiritual feeling of being one with God is that language. The smile on a mother's face when her infant is placed in her arms is that language. The tears in our eyes when we feel heard or feel seen are that language. Over the course of time, we have forgotten. But now, once again, something is stirring. And we are awakening. We are in the midst of a phenomenal global shift. We are awakening to the discovery that much of what we have believed until now, in fact, isn't true. Awakening is no longer secreted away in unconventional thinking. Awakening is what is happening. We just had no idea it would look or feel like it does. We have mistaken awakening for overwhelm, physical exhaustion, mental confusion, emotional anxiety. What we are experiencing, the old systems of understanding, cannot sort out. Our minds and bodies are awakening into the Language of Creation. Our entire system is actively restoring this Original Design. We are beginning to

remember once again that we are an integral part of life New perceptions and applications are now demanded After eons of time we are in a powerful creative process as our Original Design reformats our minds re configures our bodies and reboots our physical and non physical systems This book is a road map to navigate your path to your Original Design Through the use of template writing exercises you reconfigure your neural pathways to be life enhancing rather than life defeating manifesting your life in the majesty of what it was always meant to be The Language of Creation is a tool for re formatting HOW you think to create the life you want     **Peculiarites of Behavior** Wilhelm Stekel,James Samuel Van Teslaar,1924
