Crazy Sorrows:

Crazy Sorrow Vince Passaro,2022-09-20 A lyrical novel spanning four decades in New York City about a couple torn apart and the lengths to which they will go to be reunited Vince Passaro s first novel 2002 s *Violence Nudity Adult Content* was a provocative book that explored the darkest human emotions and the traumas of mental illness sexual assault and murder Now nearly twenty years later Passaro is back with his follow up *Crazy Sorrow* a novel that is equally explosive and more grand in scope The story opens in the shadow of the new World Trade Center on July 4 1976 when students George and Anna meet on the weed and wine fueled night of the nation s Bicentennial celebration George haunted by his upbringing instantly falls for the sensual magnetic Anna Soon they couple up dropping acid swapping music exploring the city and each other Yet their romance is short lived and they go their own ways Passaro chronicles the next four decades following George and Anna through their various relationships their sex lives both youthful and mature their failed marriages and the travails of parenthood and their careers Yet as the years go by one thing remains constant the former lovers wonder what happened to each other Finally miraculously they reconnect as the new century is beginning only to discover that history itself will have a say in whether they can stay together *Crazy Sorrow* is an ambitious examination of the forces that draw people together and drive them apart yet it also expands beyond the points of view of its characters to capture the movement of time and to reveal a living breathing New York that is both constantly changing and always familiar *Crazy Sorrow* stands as Passaro s powerful love letter to his characters and to the city that has shaped them

Crazy Sorrow Susan L. Bowes,1996 *Crazy Sorrow* is a story about prejudice and the tragic consequences of cowardice a cautionary tale about how a moment of weakness and indecision can lead to a lifetime of misery *Crazy Sorrow* is a psychological mystery and a love story a character study revealing the human need to move beyond the twisted reach of crazy sorrow Reminiscent of the most powerful Southern writing Bowes characters are eccentric colourful outcasts populating a powerful period in our imaginations the late 1950s and early 60s The setting is Nova Scotia s Annapolis Valley a sleepy town nestled among the hawthorns and flowering black locusts where nothing much happens and no one much matters Beyond the genial warmth and beauty however beyond the orchards and meadows and rugged treeless coastline is a complex society in which terrible things are happening Fast paced and evocative *Crazy Sorrow* is a stunning premiere novel
